**Knights vs. Samurai** Alan Weller,2011-03-17 This imaginative collection of royalty free images juxtaposes portraits of Old Japan s samurai warriors with medieval armored knights The 200 full color illustrations are drawn from rare 19th century sources including valuable prints by the famed Japanese artist Kuniyoshi Images are offered as both high resolution and Internet ready files

**Samurai vs. Knights** Virginia Loh-Hagan,2019-08-01 In Battle Royale Lethal Warriors we have a matchup of historic magnitude We took the deadliest warriors from two different time periods and matched them in a battle of weaponry strength and grit Who will come out victorious samurai or knights You ll have to read to find out This series utilizes considerate text written at a higher maturity level with a lower reading level to engage struggling readers Book includes a table of contents glossary index author biography sidebars educational matter and activities

**Samurai** Xavier Niz,2011-07 Profiles Japanese samurai including their everyday life training fighting methods and societal role as well as their decline and role in popular culture

**Best Swordsman, Best Sword** Martina Sprague,2017-03-01 If you are looking for an instructional manual full of step by step illustrations for learning Japanese and European swordsmanship do not buy this book This book does not tell you everything you need to know about specific techniques and does not contain hundreds of pictures detailing each step involved in attacking and defending with the sword Nor is it a suitable reference manual for arms collectors Like my previous books on edged weaponry the focus is critical thinking through historical analysis Our purpose is to pit a samurai against a medieval knight to determine who proved to be the better swordsman who wielded the better sword and who came from the superior culture Our analysis will encourage you to think about the many nuances of swordsmanship in different terrains and cultural settings and how a Japanese samurai might have acted and reacted had he crossed swords with a European medieval knight and vice versa It is of interest to those who have some experience practicing with the sword but primarily to those who like to ponder the use of the sword in a historical context neither for sports or to settle points of honor nor for health or personal fulfillment but on the battlefield where the objective was to kill the opponent The intent is to discern relationships between seemingly separate histories and lead us toward a broader horizon regarding historical swordsmanship To reach our objective we will discuss practical sword designs and their purposes sword dynamics and the principles of physics and common tactics of offense and defense As we proceed consider that in martial arts as practiced today many combat techniques and forms are overly ritualized and complex In sword combat to the death by contrast the straightest and fewest moves possible were used to reach the objective The tactics that the samurai and medieval knight chose were not about looking and feeling good but about getting it done They picked up the sword in defense of their king master or country and were prepared to fight to the death

**Knights Vs. Samurai Vol. 1** David Dastmalchian,2025-10-01 Writer DAVID DASTMALCHIAN praises FEDERICO MELE for vividly portraying characters from England and Japan as they face various mythological beings Under TODD MCFARLANE s direction this adventure

blends magic combat and the pursuit of truth with insights from consultant THERSA MATSUURA of Uncanny Japan showcasing a unique clash and connection between feudal England and feudal Japan Collects Knights vs Samurai Issues 1 6
