Kula, Jochen Zeller, 2025 This volume brings together leading scholars from the African continent and beyond to provide a detailed account of the languages of the Bantu family The book will be an essential resource for students and researchers specializing in the Bantu languages and for typologists and comparative linguists more broadly *Bibliography of the Zulu Language to the Year 1998* Nelly Mokhonoana, 1999 *Southern African Books in Print*, 1994

Extended Curriculum Programmes Tennyson Mngutshini, 2022-04-30 The introduction of ECPs in South African Universities is seen by many as South Africa's key strategy for addressing the problem of poor patterns of student success and has its basis on the uncontested acceptance that an extended study duration may be necessary to bring some categories of learners to a level of parity with the readiness expectations of their course of study Even so this transformative strategic imperative has been plagued by a range of challenges that include poor systems readiness poor selection mechanisms in the identification of ECP students poor numeracy and literacy amongst students and indifferent teacher involvement in ECPs This volume offers a rare insight into many of the above recognised challenges and in so doing provides critical matter for thought for educators within the higher education sector *South African journal of African languages*, 1990 The African Book Publishing Record, 1981 Multilingualism, Literacy and Dyslexia Lindsay Peer, Gavin Reid, 2016-02-05 This fully revised new edition provides advice on the identification assessment and support of bilingual learners and assists practitioners in identifying the difference between literacy difficulties due to bilingualism or multilingualism and dyslexia An essential text for staff development it includes innovative approaches in technology and teaching programmes beneficial to multilingual learners and advice on learning additional languages With contributions from experts from across the globe this book will provide guidance on key themes including the assessment of multilingual learners the impact of dyslexia on bilingualism the literacy challenges facing learners from Indigenous cultures the role of the SENCO in identifying children with English as an additional language and Dyslexia the emotional needs of learners with bi multilingualism and Dyslexia This book will provide guidance to anyone involved in literacy development and language

learning With the increase in international schools around the globe and the ever growing desire for parents to ensure that their children become proficient in English this book will appeal to teachers teaching assistants specialists and all other practitioners who work with bi multilingual children **Drum** ,2008 **Indigenous Teaching Disciplines and Perspectives for Higher Education** Kgari-Masondo, Maserole Christina,2025-03-28 Literature indicates that sociolinguists and educationists often claim multilingual practice and Africanizing and Indigenizing education will jeopardize national unity and social cohesion Such claims delay the implementation of decolonization policies and the transformation of the curriculum under false assumptions However research reveals many Indigenous students struggle with higher educational content which is often presented through languages that are unfamiliar to them This implies that there is a need to uncover resources that can assist in necessitating the implementation of Indigenous education globally and that all multilingual strategies in education must be based on quality mother tongue illustrative content as its foundation As a result further research on the subject is necessary to enhance teaching strategies that reach all Indigenous students Indigenous Teaching Disciplines and Perspectives for Higher Education illustrates the need for the implementation of a decolonized teaching and learning curriculum with integrated resources as models It explores how to improve Indigenous knowledge content and teaching methods Covering topics such as cultural identity African research methodology and Indigenous media this book is an excellent resource for teachers policymakers school administrators researchers scholars academicians and more
