## Island Civilization Erwc Answer:

**Easter Island, Earth Island** Paul G. Bahn, John Flenley, 1992 A myth shattering study of the enigmatic Easter Island civilization uses new archeological evidence to unlock the mysteries of the island's massive effigies and its bizarre birdman cult By the author of Images of the Ice Age *The Survival of Easter Island* Jan J. Boersema, 2015-03-18 In this book Jan J Boersema reconstructs the ecological and cultural history of Easter Island and critiques the hitherto accepted theory of the collapse of its civilization The collapse theory advanced most recently by Jared Diamond and Clive Ponting is based on the documented overexploitation of natural resources particularly woodlands on which Easter Island culture depended Deforestation is said to have led to erosion followed by hunger conflict and economic and cultural collapse Drawing on scientific data and historical sources including the shipping journals of the Dutch merchant who was the first European to visit the island in 1722 Boersema shows that deforestation did not in fact jeopardize food production and lead to starvation and violence On the basis of historical and scientific evidence Boersema demonstrates how Easter Island society responded to cultural and environmental change as it evolved and managed to survive *Decoding Rapa Nui* Reginald Kelly, 2023-08-09 Dive into the captivating folds of history with Decoding Rapa Nui The Enigmatic Easter Island Civilization a fascinating journey into a timeless civilization that thrived on the remotely situated Easter Island Embark on this exhilarating expedition far away from the ordinary as you navigate through the pages detailing the dramatic rise and collapse of the Rapa Nui civilization Rife with fascinating insights compelling narrative and vibrant illustrations this report will make you feel part of the history you're unravelling With Reginald Kelly a seasoned archaeologist renowned for his vivid storytelling your guide this journey promises a whole cocktail of experiences from decoding the world renowned stone Moai statues and the cryptic Rongorongo inscriptions to understanding the complex social structures and intriguing spiritual beliefs of the island's occupants This Special Report isn't just a record of historical events it's an immersive experience designed to transport you through time And you don't need a time machine for the journey just a cup of your favourite brew a cozy armchair and an uncanny appetite to explore realms beyond the ken As you flip through the pages of Decoding Rapa Nui The Enigmatic Easter Island Civilization you'll find yourself living the life of Rapa Nui people understanding their unique culture trying to decipher their undecoded scripts and navigating through the challenges they faced on the brink of ecological catastrophe Are you ready for this unforgettable adventure **BLOCK ISLAND** Edward E.
