Mark Timothy J. Geddert, 2001-01-23 Timothy J Geddert views Mark as a profound theologian and accomplished writer not a mere compiler of traditions Mark's text provokes careful reflection on its subtle and challenging message of hope and its call to faithfully follow Jesus on the way Mark's Gospel speaks plainly yet sometimes in riddles of God as revealed in Jesus of Nazareth the Christ the Son of God Mark presents God's reign its present hiddenness and future glory and its surprising way of coming Mark is also about Jesus and his followers crossing barriers to pass God's grace on to those formerly excluded Mark's resurrection message is open ended Readers supply their own ending not just in words but by following their resurrected Lord Includes essays on themes useful for teaching preaching and Bible study bibliographies charts two maps and an index of ancient sources

Kinship in the Household of God Cynthia Tam, 2021-10-07 This unique volume contributes a profound autism perspective to the ongoing discussion of belonging in the church By taking readers into two church communities the author explores the issues of belonging from those least welcomed by the church and consider what the church should do differently Adopting a we approach she emphasizes the unity of different members in Christ As one body in Christ all believers share Christ's sonship and become children of God The household concept invites readers to reconceptualize Christian relationships as covenantal kinship The kinship relationship is established by God's covenantal commitment fulfilled in Christ With or without autism any person who obeys God's summons is incorporated into Christ's body by the Spirit to become God's child Believers are thus siblings to one another Viewing each person this way enables us to see beyond human differences and welcome one another as God's gifts and indispensable members of the community
