Boswell Stanley Elkin,2010-10-26 Elkin s striking debut The story of one man s comic attempts at immortality James Boswell is a professional strongman and a wrestler He is also a loveable leech who amasses friends of wealth and influence as his own insurance policy against death an

obsession that leads him from coast to coast crashing parties and mentioning any celebrity whose name will grant him an ounce of social currency But when those around him begin dying Boswell is forced to confront his own mortality and determine once and for all how to find permanence in an ephemeral world Poignant and laugh out loud funny Boswell is Elkin's engaging novel of one man's desperate attempts to outmaneuver death and an acerbic take on the follies of the American Dream This ebook features rare photos and never before seen documents from the author's estate and from the Stanley Elkin archives at Washington University in St Louis

*The Disaffected* Aaron Sullivan, 2019-04-05 Elizabeth and Henry Drinker of Philadelphia were no friends of the American Revolution Yet neither were they its enemies The Drinkers were a merchant family who being Quakers and pacifists shunned commitments to both the Revolutionaries and the British They strove to endure the war uninvolved and unscathed They failed In 1777 the war came to Philadelphia when the city was taken and occupied by the British army Aaron Sullivan explores the British occupation of Philadelphia chronicling the experiences of a group of people who were pursued pressured and at times persecuted not because they chose the wrong side of the Revolution but because they tried not to choose a side at all For these people the war was neither a glorious cause to be won nor an unnatural rebellion to be suppressed but a dangerous and costly calamity to be navigated with care Both the Patriots and the British referred to this group as the disaffected perceiving correctly that their defining feature was less loyalty to than a lack of support for either side in the dispute and denounced them as opportunistic apathetic or even treasonous Sullivan shows how Revolutionary authorities embraced desperate measures in their quest to secure their own legitimacy suppressing speech controlling commerce and mandating military service In 1778 without the Patriots firing a shot the king's army abandoned Philadelphia and the perceived threat from neutrals began to decline as did the coercive and intolerant practices of the Revolutionary regime By highlighting the perspectives of those wearied by and withdrawn from the conflict *The Disaffected* reveals the consequences of a Revolutionary ideology that assumed the nation's people to be a united and homogenous front

College Mystery Novels John E. Kramer, 1983      **The DNA of God** Leoncio A.

Garza-Valdes, 2012-05-09 In 1988 radiocarbon dating showed that the Shroud of Turin long regarded as the burial cloth of Jesus of Nazareth could not be from the time of Jesus but was of a more recent origin What scientists did not know at that time but what author Dr Leoncio Garza Valdes came to discover is that bacteria produce an organic coating what he calls a bioplastic coating over time on ancient textiles including the Shroud itself This coating which the author first discovered on Mayan artifacts so distorts the carbon dating process that objects on which it is found such as the Shroud are actually significantly older than the data show The scientific community has hailed Dr Garza Valdes's findings since this new knowledge is of significance for archaeologists around the world For those interested in the mysterious history of the Shroud it is again possible to regard this artifact as originating in the first century and consequently as being the burial cloth of Jesus But Dr Garza Valdes's amazing discoveries did not end with this breakthrough His examination of pieces of the Shroud under

a microscope has revealed incredible clues consistent with the Scriptural accounts of the death of Jesus Bacteria that produce acetic acid vinegar were isolated from the Shroud Do they belong to the vinegar offered to Jesus before his death on the cross Could human blood remnants that contain a man s DNA be traces of the blood of Jesus Does it contain the DNA of God The DNA of God is the fascinating story of this microbiologist s journey of discovery and of the earthshaking secrets he has revealed about the Shroud of Turin **A Wilder Passion** Karen Young,1985 **Current History** ,1922 **Matilda's Game** Denis Kilcommons,1992 Journal of the Federated Institutes of Brewing Institute of Brewing (Great Britain),1966
