Dryden, 2013-08-20 Despite dying in relative obscurity Jane Austen has become a global force as different readers across time space and media have responded to her work This volume examines the ways in which her novels affect individual psychologies and how Janeites experience her work from visiting her home to public re-enactments to films based on her writings

Death on a Winter Stroll Francine Mathews, 2022-11-01 No nonsense Nantucket detective Merry Folger grapples with the aftermath of the COVID 19 pandemic and two murders as the island is overtaken by Hollywood stars and DC suits Nantucket Police Chief Meredith Folger is acutely conscious of the stress COVID 19 has placed on the community she loves Although the island has proved a refuge for many during the pandemic the cost to Nantucket has been high Merry hopes that the Christmas Stroll one of Nantucket's favorite traditions in which Main Street is transformed into a winter wonderland will lift the island's spirits But the arrival of a large scale TV production and the Secretary of State and her family complicates matters significantly The TV shoot is plagued with problems from within as a shady power hungry producer clashes with strong willed actors Across Nantucket the Secretary's troubled stepson keeps shaking off his security detail to visit a dilapidated house near conservation land where an intriguing recluse guards secrets

of her own With all parties overly conscious of spending too much time in the public eye and secrets swirling around both camps it is difficult to parse what behavior is suspicious or not until the bodies turn up Now it s up to Merry and Detective Howie Seitz to find a connection between two seemingly unconnected murders and catch the killer But when everyone has a motive and half of the suspects are politicians and actors how can Merry and Howie tell fact from fiction This latest installment in critically acclaimed author Francine Mathews s Merry Folger series is an immersive escape to festive Nantucket a poignant exploration of grief as a result of parental absence and a delicious new mystery to keep you guessing

**Death on Nantucket** Francine Mathews,2017-06-06 Francine Mathews no nonsense Nantucket police detective Merry Folger is back on the case after nineteen years Death on Nantucket the fifth Merry Folger Mystery is full of regional charm a strong sense of local history and foggy New England Island atmosphere Spencer Murphy is a national treasure A famous Vietnam War correspondent who escaped captivity in Southeast Asia he made a fortune off of his books and television appearances But Spence is growing forgetful with age he s started to wander and even fails to come home one night When a body is discovered at Step Above the sprawling Murphy house near Steps Beach Nantucket police detective Meredith Folger is called in to investigate The timing couldn t be worse It s the Fourth of July and tourists are arriving in droves to celebrate on Nantucket s beaches so the police force is spread thin On top of that Merry is planning her wedding to cranberry farmer Peter Mason and her new boss an ex Chicago police chief with an aggressive management strategy seems to be trying to force her to quit Merry can t conclude the Murphy investigation quickly enough for him As she grapples with a family of unreliable storytellers some incapable of recalling the past and others determined that it never be known she suspects that the truth may be forever out of reach trapped in the failing brain of a man whose whole life may be a lie **Death in a Cold**

**Hard Light** Francine Mathews,2017-05-09 The fourth Merry Folger nantucket mystery After a trying case detective Merry Folger begrudgingly agrees to take a leave from work to meet her fussy future in laws in Greenwich but it isn t long before she is summoned back to Nantucket The body of a 21 year old was discovered in the frigid waters of the Sound in the days leading up to the annual Christmas celebration and the death isn t sitting well with Merry s father the local police chief who fears the track marks on the victim s arms may be indicative of a growing drug problem on the island Feeling a constant need to live up to her father s expectations Merry rushes home to her fianc Peter s annoyance only to find that heroin isn t the only destructive force in Nantucket Soon after Merry arrives she feels stonewalled by her father If he was so desperate for her help why won t he share the details of the case with her What is he hiding For the first time Merry fears she cannot trust her lifelong role model her own father let alone figure out why a young athlete and Harvard scholar ended up dead in the frigid storm churned Sound **Mystery Women, Volume Three (Revised)** Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is

interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 *Sequels* Janet G. Husband, Jonathan F. Husband, 2009 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series

was to show him how little he could succeed the first go around Courtesans of course were famous for this For a certain caliber of female hardships birth wit and to the gentleman trapped in a stratum of dull mannered ladies wit was an aphrodisiac So it seems was cheek Harriette s method was ridiculously simple She laid siege to powerful men by writing queries like the one she half in humour dashed off to the Prince of Wales I am told that I am very beautiful so perhaps you would like to see me When his reply was returned to her in the affirmative she further wrote This sauciness inspired the ardor of many influential men during her reign including the Duke of Wellington the Marquess of Worcester the Duke of Argyll and Lord Melbourne s son the Honorable Frederick Lamb One can scarcely leave out her first lover the Earl of Craven At the age of 15 Craven introduced her to the pursuits of pleasure but she was no more enamored of him than of his cocoa trees from the West Indies By her own account he would amuse her by drawing pictures of his fellows along with the dreaded trees a practice Harriette called a dead bore It didn t help that she despaired of his cotton night cap Surely she would say all men do not wear those shocking nightcaps else all women s illusions had been destroyed on the first night of their marriage Harriette Wilson s dismal opinion of marriage was borne from early experience my dear mother s marriage had proved to me so forcibly the miseries of two people of contrary opinions and character torturing each other to the end of their natural lives that before I was ten years old I decided in my own mind to live free as air from any restraint but that of my own conscience Although Harriette forbore blaming her parent s marriage and indeed stressed that her dear mother did not influence her choice in profession an unhappy home life seemed to affect the family at large Among her sisters three of them turned Cyprian Amy Sophia and Fanny Harriette Wilson s memoirs Publish and Be Damn d The Memoirs of Harriette Wilson was adapted for the BBC Radio 4 series Classic Serial by Ellen Dryden and broadcast in June 2012 Volumes 1 2 Complete *The Novels of Jane Austen* ,1971      **The Novels and Letters of Jane Austen** Jane Austen,1915
