Jw 2014 Conventions Childs:

The United Nations Convention on the Rights of the Child Ton Liefaard, Julia Sloth-Nielsen, 2016-11-01 In 2014 the world's most widely ratified human rights treaty one specifically for children reached the milestone of its twenty fifth anniversary The UN Convention on the Rights of the Child was adopted after the fall of the Berlin Wall and in the time since then it has entered a new century reshaping laws policies institutions and practices across the globe along with fundamental conceptions of who children are their rights and entitlements and society's duties and obligations to them Yet despite its rapid entry into force worldwide there are concerns that the Convention remains a high level paper treaty without the traction on the ground needed to address ever continuing violations of children's rights This book based on papers from the conference 25 Years CRC held by the Department of Child Law at Leiden University draws together a rich collection of research and insight by academics practitioners NGOs and other specialists to reflect on the lessons of the past 25 years take stock of how international rights find their way into children's lives at the local level and explore the frontiers of children's rights for the 25 years ahead

Working with Vulnerable Children, Young People and Families Graham Brotherton, Mark Cronin, 2020-10-11 This fully revised and expanded edition considers the meaning of vulnerability a key concept in early intervention and the relationship between vulnerability and the individual communities and society It includes new chapters on children's voices young people and vulnerability and working with vulnerable parents Introducing students to a broad debate around what constitutes vulnerability and related concepts such as risk and resilience it examines how vulnerability has been conceptualised by policy makers with a clear focus on early intervention for preventing social problems later in life It adopts a case study approach using chapters examining the concept of vulnerability from sociological psychological and social policy perspectives before looking at examples around leaving care victims of violence sexual abuse and the Internet Supporting students in engaging with and evaluating the conceptualisation and application of vulnerability in professional practice this book is suitable for anyone either preparing for or currently working within the children's workforce from social work and health care to education and youth work

International Parental Child Abduction and the Law Geraldine Carney, 2024-06-13 Japan has faced widespread scrutiny for failing to properly address international parental child abduction involving its citizens This book examines how and why Japan has come to have this tarnished image its response and how it might manage these disputes in the future In particular the book explores how Japan engages with international legal frameworks to manage international parental child abduction and what this means in reality for Japanese people and others who come under its wide umbrella A focus of this examination is how the key international treaty the Hague Convention of 25 October 1980 on the Civil Aspects of International Child Abduction has fared since being introduced in Japan in 2014 Case studies of parental child abduction involving Japan are used throughout to illustrate the legal and social concepts discussed in the book The struggles of both abducting and left behind parents across fluid international

borders reveal seismic social and philosophical shifts in Japan that continue to shape its legal landscape This book will be a useful resource for students of Japanese Studies Sociolegal Studies Comparative Law and International Law *Children's Environmental Rights Under International and EU Law* Francesca Ippolito, 2022-11-07 This book is dedicated to a topic which has for a long time lacked the attention it deserves within the academic world It intends to address in a coherent and comprehensive manner the problem of the environmental rights of the child which are not identical to the ones of adults whose environmental rights have been appraised from a general point of view In the absence of any international law instrument explicitly granting a child the right to a clean environment drawing on an extensive and original analysis of the UN Convention on the Rights of the Child and the practice of its monitoring body this book undertakes an assessment of the extent to which these challenges may be overcome through a greater engagement between international law on the rights of the child and international environmental law The result is the first comprehensive study on the manner in which these two mutually reinforcing legal regimes can interact to strengthen the protection of children's environmental human rights at stake in the increased strategic environmental and climate litigations at both the national and international level The book is recommended reading for amongst others policy makers international environmental lawyers and human rights lawyers and practitioners Additionally lecturers students and researchers from a range of disciplines will also gain from seeing how new legal scholarship and intertwined branches of international law contribute to the continual development of the living rights of the human rights conventions Francesca Ippolito is Associate Professor of International Law in the Department of Political and Social Science of the University of Cagliari Italy She holds the Jean Monnet Chair on European Climate of Change REACT for 2021-2024 Socio-Political Wars and its Measures Dr. Nduka N. Nwankpa, Benson, G.H., Dr. Nwenfor Divine Achenui, 2023-08-25 TOPICS IN THE BOOK Media War and Propaganda A Content Analysis of U S Propaganda in Time and Newsweek Coverage of the Iraq War Inquiry into the Continued Practice of Trokosi Indentured Servitude in Ghana An Outlawed Culturo Religious Practice Distortions on Cameroon's War Time Economy 1914-1916 The US Marshall Plan and the Post World War II Reconstruction of Europe 1947-1970 Economic and Diplomatic Study **Interdisciplinary and Global Perspectives on Intersex** Megan Walker, 2022-01-24 This edited collection interrogates how social and cultural representations of individuals with intersex variations impact how they are understood and treated from legal and medical perspectives across the world Contributors consider how novelists filmmakers artists and medical professionals have represented people with intersex variations and highlight the importance of ethical representation and autonomy to encourage wider cultural and medical knowledge of intersex variations as a naturally occurring phenomenon The text also examines the ways in which individuals with intersex variations are represented and viewed in India Italy Pakistan and Israel as well as how this impacts decision making for the individuals families and medical providers This book argues that reactions to intersex variations will not change unless they are no longer presented as treatable disorders It positions

representation at the forefront shifting the emphasis away from a concern for maintaining gender norms to upholding the human rights of intersex people This volume will be of interest to researchers and scholars in intersex studies as well as policymakers and activists *Annual Review of Comparative and International Education 2018* Alexander W. Wiseman,2019-09-27 This year s edition brings together research and essays on comparative education trends and directions written by professional and scholarly leaders in the field Topics covered include theoretical and methodological developments reports on research to practice area studies and the diversification of comparative and international education
