Mitsubishi A6m Zero Big Yellow Series

Michael John Claringbould

Mitsubishi A6m Zero Big Yellow Series:

F4U Corsair versus A6M Zero-sen Michael John Claringbould, 2022-03-17 The aerial clashes between the iconic Corsair and Zero sen translated into a contest of speed and altitude for the former versus the latter's outstanding agility and range Whilst the F4U Corsair eventually proved to be a superior fighter in Pacific operations its introduction into combat in this theatre initially demonstrated its weaknesses Indeed the Saint Valentine's Day Massacre debacle showcased exemplary Zero sen fighter tactics and American losses were of sufficient magnitude that further daylight missions toward Bougainville were discontinued until Allied fighter tactics could be improved As a result for the next two months the Corsair's combat results were much subdued Indeed the F4U only became a superb fighter when both its pilots and their commanders worked out how to deploy the gull wing design effectively Optimum circumstances for effective engagement did not always occur and the Zero sen remained effective against the Corsair until February 1944 in the South Pacific after which all IJNAF fighter units vacated Rabaul This book closely examines these two different fighters in the Solomons Rabaul theatre and the unique geographic conditions which shaped their deployment and effectiveness It contains rare photographs and digital artwork that accurately showcases and aligns combats of both types in theatre with unprecedented accuracy Both sides vastly over claimed With full access to IJNAF and US Navy US Marine Corps records these numbers will be presented accurately *The British National Bibliography* Arthur James Wells, 2003 Rabaul's Forgotten Fleet Monica Foster, Peter Stone, 1994 Exploration of sunken Japanese ships and other materiel from World War II in the Rabaul region of Papua New Guinea **Flying Magazine**, 1980-01 Frog Model Aircraft, 1932-1976 Richard Lines, Leif Hellström, 1989 *Flying*, 1980 U.S. Aircraft Carriers in Action Robert Cecil Stern, 1991 Aviation News, 2006-07 Flypast, 2008 Mitsubishi A6M zero, 2019
