*Jasper Tudor* Terry Breverton, 2014-08-15 The Man Who Made the Tudor Dynasty      *The Making of the Tudor Dynasty: Classic Histories Series* Ralph A. Griffiths, Roger S. Thomas, 2011-10-24 The peculiar origins of the Tudor family and the improbable saga of their rise and fall and rise again in the centuries before the Battle of Bosworth have been largely overlooked Based on both published and manuscript sources from Britain and France *The Making of the Tudor Dynasty* sets the record straight by providing the only coherent and authoritative account of the ancestors of the Tudor royal family from their beginnings in North Wales at the start of the thirteenth century through royal English and French connections in the fifteenth century to Henry Tudor's victory at Bosworth Field in 1485      *Jasper Tudor* Debra Bayani, 2014-08-16 Born in secrecy in 1431 as the son of the Welsh squire Owen Tudor and dowager Queen Katherine of Valois Jasper Tudor was never supposed to live life at the political centre of England But this all changed dramatically after the death of his mother followed shortly by the arrest of his father when he was no older than six After spending most of their youth inside an abbey being raised by nuns and priests Jasper and his older brother Edmund were suddenly called to court by their half brother King Henry VI Here in 1452 they became the first ever Welshmen elevated to the English peerage When this happened both brothers stepped into a completely new life of political involvement with its many attendant problems problems that Edmund did not survive After this Jasper led a life that was completely dominated by his devotion to the Lancastrian cause and to his nephew the only son of his death brother Edmund Henry Tudor In a time when most magnates defected to the other party as soon as their own faction became submerged Jasper remained loyal to his kinsman's cause and supported him wherever it took him whether scaling triumphant peaks or more often through deep valleys His hopes and faith in what was right led him through several kingdoms and as a brave and fearless man he led the life of an adventurer throughout that most difficult period of English history the Wars of the Roses Historians often claim that Jasper's father Owen or his brother Edmund was the founder of the Tudor dynasty certainly both men played a significant role in its origins and without them the Tudors would not have been But Jasper's story proves he was the key figure and godfather of the Tudor dynasty      **Jasper Tudor** Debra Bayani, 2014-08-16 Born in secrecy in 1431 as the son of the Welsh squire Owen Tudor and dowager Queen Katherine of Valois Jasper Tudor was never supposed to live life at the political centre of England But this all changed dramatically after the death of his mother followed shortly by the arrest of his father when he was no older than six After spending most of their youth inside an abbey being raised by nuns and priests Jasper and his older brother Edmund were suddenly called to court by their half brother King Henry VI Here in 1452 they became the first ever Welshmen elevated to the English peerage When this happened both brothers stepped into a completely new life of political involvement with its many attendant problems problems that Edmund did not survive After this Jasper led a life that was completely dominated by his devotion to the Lancastrian cause and to his nephew the only son of his death brother Edmund Henry Tudor In a time when most magnates

defected to the other party as soon as their own faction became submerged Jasper remained loyal to his kinsman s cause and supported him wherever it took him whether scaling triumphant peaks or more often through deep valleys His hopes and faith in what was right led him through several kingdoms and as a brave and fearless man he led the life of an adventurer throughout that most difficult period of English history the Wars of the Roses Historians often claim that Jasper s father Owen or his brother Edmund was the founder of the Tudor dynasty certainly both men played a significant role in its origins and without them the Tudors would not have been But Jasper s story proves he was the key figure and godfather of the Tudor dynasty

**The Making of the Tudor Dynasty** Ralph A. Griffiths,Roger S. Thomas,1998 Since the Battle of Bosworth 500 years ago the Tudor kings and queens have attracted much popular and scholarly attention This book traces the dynasty s rise and fall and rise again in the years before Bosworth

*Jasper Tudor* Debra Bayani,2015-02-26 New fully revised and edited edition Jasper Tudor born in secrecy in 1431 rose to become one of the key supporters of King Henry VI during the difficult period of English history known as the Wars of the Roses Devoted to the Lancastrian cause and to his nephew Henry Tudor Jasper s loyalty led him through a life full of adventure When he was just six years old Jasper s life was changed dramatically by the death of his mother the dowager queen Katherine de Valois and the arrest of his father Owen Tudor soon afterwards Jasper and his older brother Edmund were called to court and by 1452 they became the first Welshmen to be elevated to the English peerage Sadly Edmund died in captivity in 1456 leaving Jasper to protect his brother s child the future king Henry VII Jasper s dedication to the Lancastrian cause took him through many of the well known battles of the Wars of the Roses including the historic victory at Bosworth It is clear that Henry VII owed an enormous part of his success in claiming the throne in 1485 to his uncle who was his closest adviser confidante and mentor In this detailed biography Debra Bayani clearly shows that Jasper Tudor was a key figure in the tumultuous history of England detailing his life from his birth in 1431 to his death in 1495 He can rightly be called the Godfather of the Tudor Dynasty This edition includes a comprehensive appendix with contemporary Welsh poems translated into English for the first time and many full page illustrations
