Lacan And The Political

LL Leslie

Lacan And The Political:

Lacan and the Political Yannis Stavrakakis, 1999 The work of Jacques Lacan is second only to Freud in its impact on psychoanalysis Yannis Stavrakakis clearly examines Lacan's challenging views on time history language alterity desire and sexuality from a political standpoint It is the first book to provide an overview of the social and political implications of Lacan's work as a whole for students coming to Lacan for the first time The first part of Lacan and the Political offers a straightforward and systematic assessment of the importance of Lacan's categories and theoretical constructions for concrete political analysis The second half of the book applies Lacanian theory to specific examples of widely discussed political issues such as Green ideology the question of democracy and the hegemony of advertising in contemporary culture

Jacques Lacan Samo Tomšič, Andreja Zevnik, 2015-09-16 A charismatic and controversial figure Lacan is one of the most important thinkers of the twentieth century and his work has revolutionized a range of fields The volume aims to introduce Lacan's vast opus to the field of international politics in a coherent and approachable manner The volume is split into three distinct sections Psychoanalysis and Politics this section will frame the discussion by providing general background of Lacan's engagement with politics and the political Lacan and the Political each chapter will focus on different key ideas and concepts in Lacan's thought including ethics justice discourse object a symptom jouissance Political Encounters seeks to represent different ways of engaging with Lacanian thought and ways of adopting it to explain and comment on global political phenomena Bringing together internationally recognised scholars in the field this volume will be an invaluable resource to students and scholars in areas including critical theory international relations political theory and political philosophy

The Lacanian Left Yannis Stavrakakis, 2007-08-09 In recent years psychoanalysis especially Lacanian theory has been gradually acknowledged as a vital resource in the ongoing reorientation of contemporary political theory and analysis Of particular note is that the work of Jacques Lacan is increasingly being used by major political philosophers associated with the Left This indicates the dynamic emergence of a new theoretico political horizon that of the Lacanian Left However this field has yet to be properly conceived as a field and this is the first book to bring it into academic consciousness and to systematically draw its implications for concrete political analysis This book offers an accessible mapping of its main contours a detailed examination of the convergences and divergences between the major figures active within or at the periphery of this terrain including Slavoj Žižek Ernesto Laclau Alain Badiou and Cornelius Castoriadis and a critical evaluation of their respective arguments on social construction and the political affectivity and discourse ethics and social change and negativity and positivity Engaging with the role of affect and emotion in political life through the central Lacanian notion of enjoyment The Lacanian Left puts forward innovative analyses of political power and authority nationalism European identity consumerism and advertising culture and de democratization and post democracy It will be of value to everyone interested in exploring the potential of psychoanalysis in reinvigorating political theory critical political analysis and democratic politics

Lacan and the Political Yannis Stavrakakis, 2002-09-11 The work of Jacques Lacan is second only to Freud in its impact on psychoanalysis Yannis Stavrakakis clearly examines Lacan's challenging views on time history language alterity desire and sexuality from a political standpoint It is the first book to provide an overview of the social and political implications of Lacan's work as a whole for students coming to Lacan for the first time The first part of *Lacan and the Political* offers a straightforward and systematic assessment of the importance of Lacan's categories and theoretical constructions for concrete political analysis The second half of the book applies Lacanian theory to specific examples of widely discussed political issues such as Green ideology the question of democracy and the hegemony of advertising in contemporary culture

Lacan, Politics, Aesthetics Willy Apollon, Richard Feldstein, 1996-01-01 This is an anthology of psychoanalytic criticism applied to the wider field of cultural studies including class gender representation ideology and law Lacan and Organization Carl Cederström, Casper Hoedemaekers, 2010 The work of Jacques Lacan has become an influential source to most disciplines of the social sciences and is now considered a standard reference in literary theory cultural studies and political theory While management and organization studies has traditionally been preoccupied with questions of making corporations more efficient and productive it has also mobilized a strong and forceful critique of work management and capitalism It is primarily as a contribution to this tradition of critical scholarship that we can see the work of Lacan now emerging In this edited collection a number of organizational scholars have made common cause with political theorists and psychoanalysts Together they explore the many intersections of Lacan and organization The contributions address a series of pertinent questions What are the new templates for control in the workplace How is subjectivity produced in contemporary organizations And how can a Lacanian reading of contemporary work politics render new insights into resistance and ethics

The Marx Through Lacan Vocabulary Christina Soto van der Plas, Edgar Miguel Juárez-Salazar, Carlos Gómez Camarena, David Pavón-Cuéllar, 2022-04-24 This text explores a set of key concepts in Marxist theory as developed and read by Lacan demonstrating links and connections between Marxist thought and Lacanian practice The book examines the complexity of these encounters through the structure of a comprehensive vocabulary which covers diverse areas from capitalism and communism to history ideology politics work and family Offering new perspectives on these concepts in psychoanalysis as well as in the fields of political and critical theory the book brings together contributions from a range of international experts to demonstrate the dynamic relationship between Marx and Lacan as well as illuminating untranslatable points which may offer productive tension between the two The entries trace the trajectory of Lacan's appropriation of Marx's concepts and analyses how they were questioned criticized and reworked by Lacan accounting for the wide reach of two thinkers and worlds in constant homology Each entry also discusses psychoanalytic debates relating to the concept and seeks to refine the clinical scope of Marx's work demonstrating its impact on the social and individual dimensions of Lacanian clinical practice With a practical and structured approach *The Marx through Lacan Vocabulary* will

appeal to psychoanalysts and researchers in a range of fields including political science cultural studies and philosophy

Lacan, Deleuze and World Politics Andreja Zevnik, 2016-02-26 This book aims to re think the way in which the subject is inscribed in the modern political and does so by exploring the potentiality of Lacano Deleuzian theoretical framework It concerns a different ontology and a non dualist understanding of political and legal existence by focusing on questions such as how to think alternative notions of political existence and what kind of political social and legal order do these come to create This investigation into political appearance of subjects through concepts of law body and life is led and influenced by the thought of Gilles Deleuze and Jacques Lacan as well as Alain Badiou Antonio Negri and Slavoj i ek The book takes on various conceptualisations of life explores the relationship between law and life and develops an alternative notion of legal and political existence in particular in the context of rights On the back of Guantamo s legal and political discourses this work aims to show why and how the problems of world politics or the limitations of human rights discourse require an engagement with questions such as what it means to exist as a human being what forms of life are politically recognised which are not and why this distinction By pointing to a different ontology for thinking and understanding global politics and demonstrating how a trans disciplinary and philosophical approaches can foster the debates in world politics this book will be of interest to postgraduates and scholars working on critical normative ideas in international politics critical security studies and critical legal studies

Lacan Slavoj Zizek, 2020-05-05 Jacques Lacan is the foremost psychoanalytic theorist after Freud Revolutionising the study of social relations his work has been a major influence on political theory philosophy literature and the arts but his thought has so far been studied without a serious investigation of its foundations Just what are the influences on his thinking so crucial to its proper understanding In *Lacan The Silent Partners* Slavoj Zizek the maverick theorist and pre eminent Lacan scholar has marshalled some of the greatest thinkers of our age in support of a dazzling re evaluation of Lacan s work Focussing on Lacan s silent partners those who are the hidden inspiration to Lacanian theory they discuss his work in relation to the Pre Socratics Diderot Hegel Nietzsche Schelling Hlderlin Wagner Turgenev Kafka Henry James and Artaud This major collection including three essays by Zizek marks a new era in the study of this unsettling thinker breathing new life into his classic work

Psychoanalysis and the Politics of the Family: The Crisis of Initiation Daniel Tutt, 2022-02-12 *Psychoanalysis and the Politics of Family* aims to raise a sophisticated and highly accessible debate around the family self making and the political and cultural implications of liberation The text proposes a new way to read the Lacanian theory of Oedipus and through this reading resituate a series of important political and theoretical debates that have concerned intellectual life over the last forty years It is written with an accessible style so that both specialists in Lacanian and Marxist theory and a broader cross section of readers interested in understanding the implications of debates across populist and Marxist perspectives that have occupied the global left since the 2008 economic crash The text aims to resituate the way theories of emancipation and liberation are theorized from a distinctive

psychoanalytic and Lacanian point of view In resituating the infamous Oedipus complex in a new light the text re opens a series of debates with important theoretical interlocutors including the influential American historian and psychoanalytic thinker Christopher Lasch whose thought has witnessed a significant renaissance of interest today to the staunch critic of Freud and Lacan Ren Girard to Gilles Deleuze and Félix Guattari and their widely read Anti Oedipus series that disputes the Freudian and Lacanian notions of Oedipus

Against the Personification of Democracy Wesley C. Swedlow, 2009-11-02

Against the Personification of Democracy offers a new theory of political subjectivity that puts the dilemma of desire into the forefront By using Lacan to read key figures in political philosophy the book demonstrates why democratic theory representative or radical is not only ineffective when it comes to the best form of political cohabitation but also productive of destructive and self defeating forces The book begins with the debate between Hobbesian and Lockean notions of subjectivity to argue that the nature of political subjectivity is a function of the problem of desire It then considers the question of the proper structure of political cohabitation in light of Hannah Arendt's insights into what happened to the stateless in World War II leading to a distinction between the person in a bare and unadorned form and the public persona that is represented in most forms of democracy Lacan is used to reread the question of political subjectivity but unlike radical democratic theory the book argues against agonistic representative and thus endless democracy Such a political formation is seen as an instigation and ultimate disappointment to desire the persona which leads to general negative outcomes including genocide concentration camps and the removal of rights Arguing against Žižek's proposal that a radical Act can save us politically the book proposes a universal political formation as the only way out of the dilemma of political desire This formation is not dependent on public personas but rooted in actual persons meeting in their locality and sovereign to no one An indispensable text for anyone interested in political theory political philosophy and democratic theory

Against the Personification of Democracy critiques positive theories of sovereignty through its analysis of political subjectivity and the problem of desire More importantly it provides a truly universal theory of democratic cohabitation that escapes political desire and thus the scapegoats of democratic failure not to mention the anxiety of the impossibility of the democratic promise

Theology and the Political Creston Davis, John Milbank, Slavoj Žižek, 2005-06-17 A reassertion of the importance of theology to political action that goes beyond both liberal democratic theory and neoconservatism

Discourse Theory and Political Analysis David R. Howarth, Aletta J. Norval, Yannis Stavrakakis, 2000 Drawing inspiration from the works of those such as Jacques Derrida and Michel Foucault the contributors address questions using a common theoretical language and also assess the future directions of discourse theory in the social sciences

The Johns Hopkins Guide to Literary Theory and Criticism Michael Groden, Martin Kreiswirth, Imre Szeman, 2005 Publisher Description

Lacanian Realism Duane Rousselle, 2018-01-25 Alain Badiou has claimed that Quentin Meillassoux's book After Finitude Bloomsbury 2008 opened up a new path in the history of philosophy And so whether you agree or disagree with the speculative realism movement it has to

be addressed Lacanian Realism does just that This book reconstructs Lacanian dogma from the ground up first by unearthing a new reading of the Lacanian category of the real second by demonstrating the political and cultural ingenuity of Lacan's concept of the real and by positioning this against the more reductive analyses of the concept by Slavoj Žižek Alain Badiou Saul Newman Todd May Joan Copjec Jacques Rancière and others and third by arguing that the subject exists intimately within the real Lacanian Realism is an imaginative and timely exploration of the relationship between Lacanian psychoanalysis and contemporary continental philosophy

Routledge Handbook of Psychoanalytic Political Theory Yannis

Stavrakakis, 2019-09-05 The emerging field of psychoanalytic political theory has now reached a stage in its development and rapid evolution that deserves to be registered systematically defined and critically evaluated This Handbook provides the first reference volume which showcases the current state of psychoanalytic political theory maps the genealogy of its development identifies its conceptual and methodological resources and highlights its analytical innovations as well as its critical promise The Handbook consists of 35 chapters offering original comprehensive and critical reviews of this field of study The chapters are divided into five thematic sections Figures discusses the work of major psychoanalytic theorists who have influenced considerably the development of psychoanalytic political theory Traditions genealogically recounts and critically reassesses the many attempts throughout the 20th century of experimenting with the articulation between psychoanalysis and political theory in a consistent way Concepts asks what are the concepts that psychoanalysis offers for appropriation by political theory Themes presents concrete examples of the ways in which psychoanalytic political theory can be productively applied in the analysis of racism gender nationalism consumerism etc Challenges Controversies captures the ways in which psychoanalytic political theory can lead the way towards theoretical and analytical innovation in many disciplinary fields dealing with cutting edge issues The Routledge Handbook of Psychoanalytic Political Theory will serve as scholarly reference volume for all students and researchers studying political theory psychoanalysis and the history of ideas

Psychoanalytic Politics, second edition, with a new preface Sherry Turkle, 2024-07-23 An updated edition of the seminal book that explores why the interest in psychoanalysis in France exploded after 1968 and what it says about culture and therapy Among Western countries France may well be the one that resisted Freud the longest But in the late 1960s France was seized by an infatuation with Freudianism By the end of that decade France had more than a psychoanalytic movement it had a widespread and deeply rooted psychoanalytic culture At the heart of this development was Jacques Lacan's reconstruction of Freudian theory a reinvention of psychoanalysis that resonated with French culture in the aftermath of the uprisings of 1968 In *Psychoanalytic Politics* the second edition of her groundbreaking work Sherry Turkle tells the fascinating story of Lacan and why his work so profoundly influenced the French psyche While in the United States psychoanalysis is identified with an essentially conservative medical establishment the French rediscovery of Freud in a dramatic enactment of Freud's prophecy became associated with the most radical elements of French philosophical and political life In this book Turkle provides a

firsthand account of the psychoanalytic culture that developed in France as a politicized Gallicized and poeticized Freudianism deeply marked by the work of Jacques Lacan The clearest introduction in English to Lacan s teaching Psychoanalytic Politics explores how cultures appropriate theories of mind and how ideas come to connect with individuals The book s final chapter provides a fascinating portrayal of the last years of Lacan s life the intrigue and power struggles that resulted in the break up of the Freudian School he founded and the events that unfolded in the years following his death in 1981 This edition includes a new preface by the author reflecting on the origins of the book and its relevance for today a time when the integration of thought and feeling politics and self examination is as urgent an endeavor as ever Lacan Contra Foucault Nadia Bou Ali,Rohit Goel,2018-10-18 Lacan Contra Foucault seeks to ground the divergences and confluences between these two key thinkers in relation to contemporary philosophy and criticism Specifically the topics of sexuality the theory of the subject history and historicism scientific formalization and ultimately politics In doing so the authors in this volume open up new connections between Lacan and Foucault and shine a light on their contemporary relevance to politics and critical theory **Lacan and Education Policy** Matthew Clarke,2019-06-13 Lacan and Education Policy draws on the rich conceptual resources of Lacanian psychoanalysis Using Lacan s four discourses Matthew Clarke offers a sophisticated critique of recent education policy and the neoliberal model of political economy within which it sits including the ways in which education has been diminished and trivialised through the economistic and depoliticising moves of policy Clarke articulates possibilities for thinking differently about education and education policy beyond the reductive narratives of neoliberalism He argues that psychoanalytic theory is valuable not so much for allowing us to see what education really is but for offering insights into what prevents education from being enabling us to shift our focus instead into the possibilities education offers as a space of becoming The book suggests possibilities for conceptualising and creating the other side of education **The Political Mind, Or, 'How to Think Differently'** Kieran Laird,2008 Explores how contemporary developments in political theory and neuropsychology can be used to explore the political implication of the relationship between conscious and nonconscious thought

Lacan And The Political Introduction

In today's digital age, the availability of Lacan And The Political books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lacan And The Political books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lacan And The Political books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Lacan And The Political versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Lacan And The Political books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lacan And The Political books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lacan And The Political books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lacan And The Political books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lacan And The Political books and manuals for download and embark on your journey of knowledge?

FAQs About Lacan And The Political Books

1. Where can I buy Lacan And The Political books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
