Lake Morning In Autumn:

A.Y. Jackson Wayne Larsen, 2009-09-21 A founding member of the Group of Seven Jackson portrayed the Canadian landscape in a bold and inventive manner illustrating a key chapter in Canada's coming of age *Summer Lake Silver Boxed Set (Books 1-4)* SJ McCoy, 2021-12-10 Grab the first four books in one boxed set while you can Summer Lake Silver series features couples in their fifties and older Just because a few decades or more have skipped by since you were in your twenties it doesn't mean you can't find love does it Summer Lake Silver stories find happily ever afters for those who remember being thirty something vaguely Like Some Old Country Song He's had an amazing career as one of country music's biggest names She's raised a daughter and given her everything she needed to go out and succeed in the world They've both given their all to their chosen path in life and when those paths cross two lonely hearts finally see their chance at true happiness It's hardly a spoiler to say that an old country song might end with the sun setting over two rocking chairs on a front porch You'll have to pick up your copy of this heart warming romance today to find out if Marianne and Clay's story ends that way A Dream Too Far If you've been with me for a while Seymour and Chris will be familiar to you as Hope's dad and Jack and Dan's mom If you're new to me and my books don't worry you don't need any background to enjoy this story for what it is What is it It's a tale of two people in their fifties who were each widowed young and who raised their children alone He lost himself in his work she filled her life with family and friends Neither of them is looking for love they each believe they're doing okay They're about to find out that they could be a whole lot happier together A Little Rain Must Fall You may have heard the line Into each life some rain must fall It's true for every one of us We've all lived through some hard times but they don't have to destroy us It's what we do after the rain that determines whether we allow ourselves to find happiness again Ted and Audrey have both known the rain In fact they've each weathered their fair share of storms Audrey's thirty year marriage ended when her husband traded her in for someone the same age as their children It's taken her a few years since then but she's finally ready to step out and become a new version of herself Ted's moved on and built himself a good life after the storm that devastated his world many years ago He's rich and successful he's rebuilt the bond with his son and his family Life is good and at his age he's not even looking for great When these two meet they bring a ray of sunshine into each other's lives But will another storm threaten their new found happiness Where the Rainbow Ends Diego believes that it's important to focus on the sunny side The beautiful arcs of color that appear in the sky may be known as rainbows but they wouldn't appear if the sun didn't shine He likes women they like him He's outgoing fun loving and enjoys being the star of the show Izzy's fun loving and outgoing too She also enjoys being the center of attention and right from the moment he meets her Diego wouldn't mind focusing some attention on her But she's just not interested She enjoys the company of younger men She's not looking for anything serious and certainly not with a man like Diego Sure he's sexy and funny and passionate and romantic But he's also that big macho guy who needs to be in charge and his ego is even bigger than his Diego might be a

romantic but she is not one to get suckered in by hearts and flowers or talk of rainbows and unicorn farts In her experience the crock at the end of the rainbow is filled with something other than gold and she has no desire to go there again Get your copy of this sweet and steamy romance today and you'll laugh and cry with Diego and Izzy on the journey to discover what lies at the end of their rainbow The Singer/Random House Literature Series: Pursuits of literature William J.
