Magna Carta Uncovered:

Magna Carta Uncovered Anthony Arlidge,Igor Judge,2014-10-30 2015 marks the 800th anniversary of the grant at Runnymede of Magna Carta The story of how Magna Carta came into being and has been interpreted since and its impact on individual rights and constitutional developments has more twists and turns than any work of historical fiction The authors bring their wide legal experience and forensic skills to uncover the original meaning of the liberties enshrined in Magna Carta and to trace their development in later centuries up to the drafting of the Constitution of the United States of America By providing that the powers of the King were not unlimited the Charter was groundbreaking yet it was also a conservative document following the form of Anglo Saxon charters and seeking to return government to the ways of the Norman kings This book tells the enthralling ultimately inspirational story of Magna Carta in a concise and readable fashion and will captivate laymen and lawyers alike

A Magna Carta for all Humanity Francesca Klug,2015-05-08 The Magna Carta sealed in 1215 has come to stand for the rule of law curbs on executive power and the freedom to enjoy basic liberties When the Universal Declaration of Human Rights was adopted by the United Nations in 1948 it was heralded as a Magna Carta for all human kind Yet in the year in which this medieval Charter s 800th anniversary is widely celebrated the future of the UK s commitment to international human rights standards is in doubt Are universal values commendable as a benchmark by which to judge the rest of the world but unacceptable when applied at home Francesca Klug takes us on a journey through time exploring such topics as British values natural rights enlightenment values and legal rights to convey what is both distinctive and challenging about the ethic and practice of universal human rights It is only through this prism she argues that the current debate on human rights protection in the UK can be understood This book will be of interest to students of British Politics Law Human Rights and International Relations
