

PART 1 - GENERAL

SPEC NOTE:

- .1 Use this specification section when a comprehensive specification is required to specify repainting over previously painted or finished interior surfaces.*
- .2 Review all requirements noted herein and carefully choose those that meet project requirements. The Specifier must choose one item from a series of items surrounded with [...] brackets and delete the remainder, including all SPEC NOTES. Items surrounded with (...) brackets are additional information / comments that should be left in the specification.*
- .3 Adding or deleting items in this specification must be done with care and caution. The onus of doing so rests with the Specifier who must have a complete and thorough understanding of what is required. Where additional information must be added to this specification the Specifier must ensure that such information is not only accurate but also in accordance with MPI requirements.*
- .4 The Owner or Consultant shall provide a list of surfaces to be repainted as well as the degree of surface deterioration (DSD) of each surface based on MPI DSD descriptions and assigned ratings and shall issue this information to painters bidding the work. Discrepancies between these surface ratings and painter's site reviews shall be resolved prior to Bid submission.*

1.1 Description:

SPEC NOTE: This article (1.1) is not intended to scope interior repainting work but to serve as a general description. The onus of defining the extent of this section of Work remains with the Project General Contractor, who will ensure that the area / scope of responsibility of any particular Subcontractor / supplier is set out in full detail when awarding the repainting subcontract. The extent of this section of Work is also governed by the limits of local trade agreements and conditions. This article should be used in conjunction with 1.2, Related Sections.

- .1 Section includes:** All labor, materials, tools and other equipment, services and supervision required to complete all interior repainting work as indicated on Finish Schedules and to the full extent of the drawings and specifications.
- .2 Work under this Contract shall also include, but not necessarily be limited to:**

SPEC NOTES:

- .1 Delete, revise or add to example selections listed below as required.*
- .2 As a general note, where specification numbers are referenced throughout this repainting specification, they should be revised as required by the specifier to suit project specification section number requirements (preferably in accordance with the latest version of the MasterFormat numbering system) and/or where other pertinent specification sections are impacted by work of this section, their numbers should be appropriately inserted as required.*
 - .a Moisture testing of substrates.**
 - .b Surface preparation of substrates as required for acceptance of paint, including cleaning, small crack repair, patching, caulking, and making good surfaces and areas to the limits defined under MPI Repainting Manual Preparation requirements.**
 - .c Specific pre-treatments noted herein or specified in the MPI Repainting Manual.**
 - .d Sealing / priming surfaces for repainting in accordance with MPI Repainting Manual requirements.**
 - .e Provision of safe and adequate ventilation as required over and above temporary ventilation supplied by others, where toxic and/or volatile / flammable materials are being used.**
- .3 Refer to drawings and schedules (e.g., Finish Schedule) for type, location and extent of interior repainting required, and include all touch-ups necessary to complete work shown, scheduled or specified.**
- .4 This Section along with the drawings forms part of the Contract documents and is to be read, interpreted and coordinated with all other parts.**
- .5 Division 0, Section 00700 - General Conditions and Section 00800 - Supplementary Conditions and Division 1, General Requirements form an integral part of this Section of Work. The Painting contractor shall refer to these and all other related parts.**

SPEC NOTE: Clauses 1.1.4 and 1.1.5 above may be deleted or revised as required to suit specification and/or form of Contract requirements.
