*A Girl in Three Parts* Suzanne Daniel,2020-04-14 A story of sisterhood solidarity and finding your place in a changing world A GIRL IN THREE PARTS is an unforgettable coming of age story set against the backdrop of the women s rights movement Allegra Elsom is caught in the middle Some days she s eleven and others she feels closer to nineteen Some days she knows too much and others she feels hopelessly naive Some days she is split in three torn between conflicting loyalties to her grandmothers Matilde and Joy and her father Rick none of whom can stand to be in a room together since the decades old tragedy that hit their family like a wrecking ball Allegra struggles to make peace in her family and navigate the social gauntlet at school while asking bigger questions about her place in the world What does it mean to be liberated What is it about becoming a woman that earns her a slap in the face What does it mean to do the right thing when everyone around her defines it differently As the feminist movement reshapes her Sydney suburb Allegra makes her own path discovering firsthand the incredible ways that women can support each other and finding strength within herself to stand up to the people she loves Readers will not soon forget Suzanne Daniel s poignant debut or the spirit of sisterhood that sings out from its pages
