## **Kuccps 2015 16 University Admissions:**

Equality in Kenya's 2010 Constitution Victoria Miyandazi, 2021-02-25 This book makes a significant contribution to the ongoing global conversations on the various understandings of equality It illuminates the many ways in which diverse equality guarantees clash or are interrelated It also sets out principled approaches on how they can be coherently interpreted to address the myriad inequalities in Kenya Taking a comparative approach the book considers how other jurisdictions including the United States United Kingdom Canada South Africa India and Botswana have approached the conceptualisation interpretation and application of various equality concepts The book focuses on important issues such as transformative constitutionalism in relation to the interpretation of Kenya's 2010 Constitution expanding the list of enumerated grounds for non discrimination affirmative action accommodating religious and cultural diversity versus gender equality the interrelation between socio economic rights and status based equality *Thus Until* Emilia Ilieva, Reuben Matheka, 2025-08-04 *Thus Until* A History of Egerton University is a thorough historical chronological and well researched account of Egerton University from a whites only college when it started in 1939 through to the expansion it has experienced over the years culminating in being a full university More than any other university in Kenya Egerton has a long and colourful history but like all the other universities it has suffered from the political economic and financial challenges of the time especially since the double intake of the 1990s Chapter One provides the required background to the study highlighting agricultural and educational policies and steering away from the Happy Valley hype so characteristic of the period The reader will learn about the Egerton family in Chapter Two and particularly about Lord Egerton himself and the colonial circumstances within which he lived The chapter dispels some of the popularly held myths about him Chapter Three deals with the beginnings of the college and the various structural and curriculum experiments tried out and the kind of enrolment and students it experimented with as an all white establishment The chapter ends with Africans beginning to agitate for change With great attention to detail the later chapters put the university in a broader local and international context thereby increasing its relevance to society A History of Egerton University though heavily footnoted and with a detailed bibliography is written in a simple easy flowing and accessible style Governance and Christian Higher Education in the African Context David K. Ngaruiya, Rodney L. Reed, 2019-02-14 Integrity pastoral care and authority lie at the heart of Christian leadership and indeed following Jesus in any capacity and they are also critical in state governance and Christian higher education The articles in this book the product of the 2017 conference of the Africa Society of Evangelical Theology address these themes and other topics relating to the spheres of government and education in Africa to enhance our understanding of the challenges faced in African contexts A wide range of Christian scholar leaders provide a way forward for other church and institutional leaders who are seeking to faithfully fulfill their responsibilities of stewardship and instruction Corruption civil disobedience good governance and formation of Christian leaders are matters that are becoming

increasingly relevant not only in many African countries but across the world and this book is a valuable resource for thoughtful reflection and guidance on these important subjects *The Elusive African Renaissance* George Klay Kieh, Jr., 2018-09-12 Africa faces several major development challenges that have adversely affected the political and material well being of the majority of the people living there This collection of new essays rigorously analyzes those frontier development issues including democracy leadership the economy poverty alleviation through microfinance schemes food security education health and political instability and offers prescriptions that differ from the dominant neoliberal solutions

**Advancing Africa's Sustainable Development** Alain L. Fymat, 2018-11-14 While many African countries lag behind the rest of the industrialised world in scientific and medical research and development the situation is progressively improving This is why the Society for the Advancement of Science in Africa was established to contribute to economic advancement and sustainability through science research education and innovation This book provides a selection of papers from the Advancement of Science in Africa s fourth annual conference The conference was held under the overarching theme of science technology and innovation in Africa with several important sub themes including but not limited to improving health research and disease surveillance education collaborating in research responding to epidemic diseases with high mortality in Africa and promoting women s interest in science careers The collection illustrates how although the chapter contributors come from various countries and universities representing their own academic research they all share a common interest in advancing science technology and innovation in Africa *Admission Matters* Sally P.
