CONNECTED LEARNING GAME SYSTEM

Getting Started

Get Started in Three Easy Steps

1. Set Up Your LEAPSTER2 Handheld: Insert batteries in the battery compartment on the back of the handheld and close and secure the compartment door. Press the On/Off button and select your country code (code only required the first time). Create a profile for each child who will play with the handheld (it can store up to three profiles—pick a name that is easy to remember and can also be used for online profiles). Select a profile on the Player Select screen.

2. Install the LEAPFROG[®] Connect Application: Insert the included CD-ROM into your computer and follow the instructions on the screen to install the application. An Internet connection is required.

3. Connect Online to Download Your Included Title: Turn on the handheld and connect it to your computer using the included USB cable. Choose a player profile in the LEAPSTER2 view of the Connect Application. Follow the on-screen directions to select and download your child's game of choice. Disconnect the handheld from your computer for on-the-go play!

"If you already have the LEAPFROG Connect Application installed for another device, you will still need to insert the included CD-ROM to install your LEAPSTER2 software. If the included CD-ROM doesn't work or is lost, go to leapfrog.com/gaming/leapster2 to download the application."

Your LEAPSTER2 Handheld

FOUR WAYS to Play!

The Main Menu on the LEAPSTER2 handheld displays four icons for each of the ways to play. Select any activity from the Main Menu to access the following games and activities.

- 1 Cartridge Games**

- 2 Game Downloads**
