John Wesley And Universalism:

John Wesley and Universalism James A. Ellison, 2014-12-06 Teachers students and followers of Methodist denominations have long debated the nature of the monumental contributions John Wesley made to their faith Their debates however have largely come to the same conclusions focusing the lens of analysis on the elements of Arminianism in Wesley s life and writings while overlooking the elements of Universalism that are present John Wesley and Universalism widens the focus of this debate and takes into consideration the process content and structure of Wesley s thinking to explicate the universalistic underpinnings that other scholars have held in the periphery of their analyses for centuries An in depth and insightful text it examines Wesley s empirical and pragmatic methodology and outlines his concepts of faith development and spiritual growth highlighting the universalistic elements and patterns in his work and emphasizing their importance in the history and future of the Methodist movement Replete with references to history philosophy psychology and theology John Wesley and Universalism breathes new life into many of Wesley s most meaningful messages and is sure to bring the fundamental principles of his work to the surface for a new generation of scholars For those looking to broaden their spiritual or academic horizons this title should not be missed *Universalism, the Prevailing Doctrine of the Christian Church During Its First Five Hundred Years* John Wesley Hanson, 1899 *Universalism, the Prevailing Doctrine of the Christian Church During Its First Five Hundred Years* John Wesley Hanson, 1899 *John Wesley and William Law* John Brazier Green, 1945

Almsgiving and Atonement Mystery - Essays in First Christianity Jonathan Ramachandran, 2021-01-07 This Book is written to highlight some First Christian Perspectives regarding Almsgiving and Atonement We do not believe that Almsgiving can remove sins as only the Blood of Christ can do that making us New in the Resurrection where we taste the powers of the age to come now by His Mercy We do believe that Almsgiving does remove some Judgment of sins Regardless of how Scriptural one might argue we all point to men of God which history sets before us as the founding persons of certain theology or exegesis So if God used John Calvin as almost all protestants will agree and John Calvin in turn points to St Augustine then if St Augustine contemplated these same doctrinal points to some extent and is not a heretic so we contemplating on these possibilities likewise to even a deeper extent without concluding anything must likewise be not deemed as false teachers right If this Book causes your faith in Christ to stumble in any way we encourage you to stop reading but if it increases solidifies or increases your faith in Lord Jesus Christ we exhort you to continue reading it in any way that may be beneficial as you may seek our Most Blessed Saviour and Pray for His Leading in this accordingly Thank you for reading it Peace to you **A Letter to the Reverend Mr. John Wesley** George Whitefield, 1741 *Programme of the World's Religious Congresses of 1893*, 1893 *The Mosaic of Atonement* Joshua M. McNall, 2019-08-27 The Mosaic of Atonement offers a fresh and integrated approach to historic models of atonement While modern treatments of the doctrine have tended toward either a defensive hierarchy in which one model is singled out as most important or a disconnected

plurality in which multiple images are affirmed but with no order of arrangement this book argues for a reintegration of four famous pieces of atonement doctrine through the governing image of Christ shaped mosaic Unlike a photograph in which tiny pixels present a seamless blending of color and shape a mosaic allows each piece to retain its recognizable particularity while also integrating them in the service of a single larger image If one stands close one can identify individual squares of glass or tile that compose the greater picture And if one steps back there is the larger picture to be admired Yet in the great mosaics of age old Christian churches the goal is not for viewers to construct the image as in a puzzle but to appreciate it So too with this mosaic of atonement doctrine While no one model is set above or against the others the book notes particular ways in which the pieces the feet heart head and hands mutually support one another to form a more holistic vision of Christ s work This is my body Jesus said to his followers and by reintegrating these oft dismembered aspects of atonement we will note fresh ways in which it was given for us

The Works of John Wesley John Wesley,1984 This is the fourth in an eagerly awaited series of four volumes of John Wesley s sermons This volume contains 18 sermons that were published in the Arminian Magazine from 1789 to 1792 It also contains 19 sermons that were taken from Wesley s manuscripts Of all the genres in Wesley s prodigious output his sermons most clearly focus and expound his understanding of Christian existence Outler s introduction in the first volume concentrates two decades of painstaking research and thought on Wesley From this he ably sets the stage for a fuller understanding and appreciation of a major Christian heritage a heritage which can at last be seen as a whole against the background of its sources The four volumes contain 151 sermons including a number recovered from Wesley s manuscripts These constitute the core of Wesley s doctrinal teachings upon which his own evangelical movement was founded Following Wesley s own ordering Dr Outler begins with the familiar Sermons on Several Occasions which present Wesley s basic teachings on salvation and form the bulk of the first two volumes in the series Outler masterfully demonstrates the significance of all the subsequent sermons since they exhibit Wesley s entire approach to the Christian life Each volume is rich with footnotes that include the identification of quotations elucidation of references the tracing of key themes and vital background information on each sermon Representing the culmination of twenty years of exhaustive research it is the purpose of these conclusive volumes to keep alive the growing interest in Wesleyan studies for the entire Christian church All Works of John Wesley volumes are designed to keep the pages clean and in place for years to come with casebound non cloth hardcover dust jacket and secure adhesive binding

Flames of Love Heath Bradley,2012-11-29 Is hell for real or will all be saved What if both are true It is tempting to settle either for the liberal option of downplaying the judgment of God or for the conservative option of letting dominant church tradition trump fresh understandings of Scripture Not settling for either of these popular options this book offers a clear and compelling response to the question of what hell

could be for in a universe created and redeemed by a loving God The book seeks to articulate a distinctively Christian universalism that highlights the centrality of Christ coheres with the Scriptures and early church tradition affirms the reality of divine judgment and offers motivational grounds for evangelism and holy living Ultimately this work is about the Christian struggle to envision the life of the world to come in a way that is faithful to the God in whom love and holiness are forever united The World's Parliament of Religions John Henry Barrows,1893 **Election, Barth, and the French Connection, 2nd Edition** Pierre Maury,2019-11-11 Karl Barth s famous account of the doctrine of election in his mammoth Dogmatics has been described as the heart of his theology a great hymn to the grace of God in Christ Discover the person who initially stimulated Barth s mammoth reworking of the classical view of the doctrine pastor theologian Pierre Maury 1890 1956 Their close friendship and especially a seminal paper Maury gave in 1936 entitled Election and Faith helped stimulate Barth s reflection Discover some never before translated works of Maury as well as a revision of a previously published piece on predestination In this revised and expanded second edition seven theologians reflect on the significance of these works for us today from historical textual pastoral and theological standpoints and seek to draw conclusions for us in our contemporary setting **The World's Parliament of Religions** ,1893 *The Universalist Quarterly and General Review* ,1887 *Universalism* J.
