

History of MARDI GRAS

When French explorer Pierre LeMoyne sieur d'Iberville christened a lonely spot south of New Orleans Point du Mardi Gras in 1699, he had no idea what he was starting.

BY ARTHUR HAMEN

Where and when did the celebration of Mardi Gras begin? The New Orleans version of the festival came to North America from Paris where it had been celebrated since the Middle Ages. In 1699, French explorer Sieur de la Moignon explored the Mississippi from the river's mouth. On a spot 10 miles south of the present location of New Orleans, they set up camp on the river's West Bank. Knowing that the day, March 3, was being celebrated as a major holiday in France, they christened the site, *Point du Mardi Gras*.

But Mardi Gras wasn't long before 1699. Some scholars are a bit skeptical as to the ancient ritual rituals of fertility that welcomed the return of spring. A possible source of the celebration is the *lupercalia*, a circus-like page held in mid-February in Rome. The early Church fathers, realizing that it was incompatible with their new conversion from their pagan roots, decided instead to direct them into Christian church. Thus, a new festival was born in a period of excitement that would become a prelude to the principal season of Lent.

In the late 17th century, a festival began to take form in New Orleans. Charles de la Moignon, a French explorer, had been sent to explore the Mississippi. He had been granted a license by the French government. The festival was named after the *lupercalia*, a festival that had been celebrated in Rome. The grand procession of
Carnival in New Orleans
