Steinberg,Joe L.,Joe L. Kincheloe,2018-04-17 For more than two thousand years Christian expansion and proselytizing was couched in terms of defending the faith Until recently in the United States much of that defense came in the form of reactions against the liberal influences channeled through big corporate media such as popular music Hollywood movies and network and cable television But the election of Ronald Reagan as a Hollywood President introduced Christian America to the tools of advertising and multimedia appeals to children and youth to win new believers to God's armies Christotainment examines how Christian fundamentalism has realigned its armies to combat threats against it by employing the forces it once considered its chief enemies the entertainment media including movies television music cartoons theme parks video games and books Invited contributors discuss the critical theoretical frameworks of top selling devices within Christian pop culture and the appeal to masses of American souls through the blessed marriage of corporatism and the quest for pleasure      **America's 'Special Relationships'** John Dumbrell,Axel Schäfer,2009-09-10 This unique volume seeks to offer an original collection of essays on the theme of America's special relationships The essays vary in their focus some are primarily historical some are more contemporary All consider the quality of specialness in the context of America's relationship with particular countries including the United Kingdom Canada Australia New Zealand Holland Russia Iran and Israel      *Third Term* Paul Begala,2008-09-09 For Democrats Independents and the majority of Republicans who are fed up with the GOP a handbook for the most important election in our lifetime With the indispensable chapters The John McCain Quiz and Things John McCain is Older Than In details that will surprise even close followers of the political scene veteran political strategist Paul Begala thoroughly makes the case that John McCain would be a third term for George W Bush He explodes the myth that John McCain is a maverick and proves powerfully that he's just four more years of the same old thing      Counterfeit Crime R.T. American Raj Eric S. Margolis,2008 In 1993 political scientist Samuel Huntington turned conventional political wisdom on its head by arguing that future conflicts wouldn't be between nations but between civilizations notably between the secular West and the fundamentalist Islamic world At the same time Eric S Margolis was arguing the same point from a

different position that of a journalist reporting from within the Muslim world American Raj is the culmination of Margolis years of boots on the ground insight into the way the Muslim world really operates It takes readers inside the thinking and worldview of anti Western Islamic radicals throughout the Muslim world and identifies the historical political and religious factors that have played a major role in generating hostility toward the West Employing the model of Britain s imperialist hegemony in Asia Margolis explores in fascinating detail whether the West risks a replay of the Raj experience or whether we face an entirely new world order Reviving the Left Dwight Furrow,2009 No Marketing Blurb *The National Builder* ,1906 The New Leader ,2000 CQ Guide to Current American Government CQ Press,2005-12 *Guideposts for the Spirit* Ideals Publications Inc,2004 Our newest addition to the Guideposts for the Spirit series is a collection of stories that celebrate the courage of ordinary people in some not so ordinary situations Selections are drawn from the archives of Guideposts magazine and are complemented by stories from Dave Thomas Christopher Reeve Naomi Judd and Rosa Parks among others Chapters include Choosing faith over fear The courage to embrace life Persevering in times of trouble The courage to make a difference Facing life s challenges Trusting in God and The renewal of faith Each story will inspire and encourage readers to reach beyond themselves when facing challenges in their lives **National Journal** ,2008-04 **The Story of Louisiana** Edwin Adams Davis,1960 **Adweek** ,2007 Vols for 1981 include four special directory issues The Making of Modern America Gary Donaldson,2009-04-16 When World War II ended in 1945 America emerged as the only superpower It had defeated Germany and Japan it was the only nation with the bomb and much of the rest of the world lay in ruins as a result of the war In addition the wartime economy had dragged the nation out of the worst depression in modern history The United States seemed on the verge of its greatest age and from that starting point its people embarked on a journey through the next several decades of change The Making of Modern America is the story of that journey As Gary A Donaldson chronicles the second half of the twentieth century was in fact one of the most tumultuous eras in U S history Nearly every minority group in the nation including women demanded equal rights and access the Cold War kept Americans living in fear of a nuclear holocaust that might end civilization the turbulent sixties galvanized the baby boom generation and the war in Vietnam divided the nation The end of the Cold War brought new challenges and opportunities but the specter of international terrorism cast a pall over the beginning of a new century At the end of the era once again the United States stood alone as the sole superpower on earth but the threats remained ominous and real The nation was at war again and the American people were perhaps more divided than they had been since the Vietnam era The talk was of consensus but the reality was conflict **Readers' Guide to Periodical Literature** Anna Lorraine Guthrie,Bertha Tannehill,Neltje Marie Tannehill Shimer,1925 An author subject index to selected general interest periodicals of reference value in libraries **Saving General Washington** James R.
