ENGLISH DESCRIPTION Coming soon as an American Western drama film directed by Gabe Polsky and starring Nicolas Cage and Rachel Keller In his National Book Award winning novel Augustus John Williams uncovered the secrets of ancient Rome With Butcher s Crossing his fiercely intelligent beautifully written western Williams dismantles the myths of modern America It is the 1870s and Will Andrews red up by Emerson to seek an original relation to nature drops out of Harvard and heads west He washes up in Butcher s Crossing a small Kansas town on the outskirts of nowhere Butcher s Crossing is full of restless men looking for ways to make money and ways to waste it Before long Andrews strikes up a friendship with one of them a man who regales Andrews with tales of immense herds of buffalo ready for the taking hidden away in a beautiful valley deep in the Colorado Rockies He convinces Andrews to join in an expedition to track the animals down The journey out is grueling but at the end is a place of paradisal richness Once there however the three men abandon themselves to an orgy of slaughter so caught up in killing buffalo that they lose all sense of time Winter soon overtakes them they are snowed in Next spring half insane with cabin fever cold and hunger they stagger back to Butcher s Crossing to nd a world as irremediably changed as they have been

**Reading the Novels of John Williams** Mark Asquith, 2017-12-06 John Williams as the New Yorker noted recently was author of the greatest American novel you ve have never heard of He died in obscurity but has enjoyed a literary renaissance due to the worldwide critical acclaim greeting recent reissues of his major novel Butcher s Crossing Augustus and particularly Stoner With films of both Butcher s Crossing and Stoner already in pre production it is clear that Williams star is in the ascendant This book is designed to offer a critical introduction to his writing It is developed through solid scholarly research but is structured and written in a clear and direct style that makes it accessible for academics students and general readers alike It offers a clear sense of the novelist s early life and work which includes an evaluation of his academic life he was a professor at the University of Denver and neglected poetry The bulk of the book is given over to readings of the three major novels they offer an appreciation of Williams literary craft combined with an assessment of literary and cultural influences and an overview of contemporary critical reactions Few authors have written such disparate works in terms of subject matter genre and style however they are all united in their effort to grapple with deeper existential questions For whether his characters are riding the Western plains speaking in the Roman Forum or reading in a dusty library they all demonstrate Williams preoccupation with the ways in which youthful hopes and a strong

sense of who we are shaped by life's accidents How we make the life meaningful learn to love another human being confront failure these are the well points of Williams understated tragedies Unfortunately such meditations are rarely fashionable but neither are they ever unfashionable George Orwell observed that the only true critic is time this study makes clear that Williams time has come      *Cassette John Williams / druk 1* John Williams, 2015-02-16      *Butcher's Crossing* John WILLIAMS (Poet and Novelist.), 1960      *Forthcoming Books* Rose Arny, 1988-07      **Paperbound Books in Print**, 1992      *Partisan Review* Edith Kurzweil, 2000 A cumulative index of *Partisan Review* the American literary cultural journal started in 1934 It features essays articles and reviews from the journal printed between 1934 and 1999      *Book Review Index*, 2003 Every 3rd issue is a quarterly cumulation      **TŁS, the Times Literary Supplement**, 1982      **British Books in Print**, 1979
