finally uncover the truth about such provocative stories as U S Marines fighting Castro led Cuban invasion forces and covertly supporting military coup attempts Williamson also presents previously unreported accounts of American men and women risking their lives to help Haitians being hunted and murdered by Duvalier s Tonton Macoute death squads By so effectively portraying the human costs of one of America s first foreign policy failures of the Cold War Williamson has given us a timely and very readable warning about future uses of the military in operations short of war *The*
