British Education Index ,2005 **Julius Caesar** Horst Zander,2005-07-05 This book explores traditional approaches to the play which includes an examination of the play in light of current history in the context of Renaissance England and in relation to Shakespeare s other Roman plays as well as structural examination of plot language character and source material Julius Caesar CriticalEssays also examines the current debates concerning the play in Marxist psychoanalytic deconstructive queer and gender contexts *The Secondary English Magazine* ,2003 **Intuition Or Evidence?** C. V.

Gipps,1995 The intuition or evidence of the title is a theme which runs through the book Prior to National Assessment teachers judgements about pupils were largely intuitive National Assessment has brought about changes in some teachers practice resulting in assessments now being based more firmly on evidence Other teachers however still prefer to assess intuitively The changes in government policy and the demands for testing and publication to raise standard also seem to be based on intuition rather than evidence However by the end of a three year study the authors evidence shows that a number of headteachers felt that standards of teaching had improved but not in the simplistic way envisaged by the government

The School Science Review ,2001 **Literacy in the Secondary School** Maureen Lewis,David Wray,2014-02-25 First Published in 2000 Literacy is on the agenda in a big way in the United Kingdom The principal target of the National Literacy Strategy from 1997 till the middle of 1999 was the practice of teaching literacy in primary classrooms From 1999 however the target has broadened and now clearly encompasses secondary school teaching as well Very few secondary teachers even of English have received any substantial training in literacy work and if they are to respond in the best way possible to current initiatives they need help help of a very practical nature which enables them to introduce more effective attention to literacy into their subject teaching The aim of this book is to provide an account of the good practice encountered by the authors and offer some valuable practical support to secondary schools and teachers *The Times Index* ,1996 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement

Who Owns English? Mike Hayhoe,Stephen Parker,1994 This collection brings together views about the nature of English and its users Within the United Kingdom and in some other countries there is a feeling of unease that language and literacy are in decline and that their central role in developing a sense of national unity and heritage is weakening Governmental response to this perception is to move towards centralized state imposed curricula and assessment seeking to guarantee standards through legislation At the same time that the original source of English feels insecure other countries and cultures become increasingly confident about taking over its use

and ownership on their own terms and within their own cultures Several of the authors here celebrate the diverse ways in which people across the world are developing their own distinctive varieties of English In exploring these contradictory defensive and optimistic attitudes towards the inevitability of linguistic and cultural change the volume s contributors demonstrate the current liveliness and intensity of discussion about this perennial and increasingly debated topic **KS3 Maths, English and Science Practice Test Papers** Collins Uk,Letts KS3,2018-07-12 Level KS3Subject Maths English ScienceIdeal for exam preparation this set of KS3 Maths English and Science practice test papers provides realistic test practice and features a wide range of questions styles that thoroughly test students grasp of all the key concepts and skills covered in the KS3 Programme of Study Matched to the new programme of study for KS3 these Maths English and Science practice test papers allow students to practise answering a wide range of questions styles These questions will challenge students and test their grasp of all the key concepts and skills Includes test style questions covering Maths English including Grammar Spelling and Punctuation Science **KS3 English Practice Test Papers** Letts KS3,2018-07-12 Level KS3Subject EnglishIdeal for exam preparation this set of KS3 English practice test papers provides realistic test practice and features a wide range of questions styles that thoroughly test students grasp of all the key concepts and skills covered in the KS3 Programme of Study Matched to the new programme of study for KS3 English these English practice test papers allow students to practise answering a wide range of questions styles These questions will challenge students and test their grasp of all the key concepts and skills Includes test style questions covering grammar and punctuation reading skills writing skills **KS3 English** Alan Coleby,Kate Frost,2001 This text has been completely re written to match the updated KS3 English National Tests It includes three complete practice papers Reading Writing and Shakespeare These have been devised by the authors who are Test Markers and should provide students with the best possible preparation for the unfamiliar exam papers Authors provide model answers and extensive guidance to show students what they need to do to gain a high level in their test **Forum for Promoting 3-19 Comprehensive Education** ,1991 *English* Collins UK,2014-06-16 These practice test papers are matched to the new programme of study for KS3 English They are designed to provide realistic test practice featuring a wide range of questions styles that will thoroughly test the student s grasp of all the key concepts and skills Proceedings of the British Psychological Society British Psychological Society,1998 **KS3 Complete Practice Papers** CGP Books,Richard Parsons,2009-01-01 KS3 Complete Practice Tests Science Maths English *Deutsch, Lehren und Lernen* ,1998
