IRISH FAIRY TALES - 10 Illustrated Celtic Children's Stories Anon E. Mouse, 2018-10-02 James Stephens has selected 10 classic Irish fairy tales and represented them in this volume for children. In addition, he has added authenticity to the book by having the late great Arthur Rackham, one of the greatest illustrators of all time, illustrate them. The 15 colour plates and 19 pen and ink drawings by Rackham in the classic style definitely give added life to these classic Celtic tales. Herein you will find the stories of The Story Of Tuan Mac Cairill The Boyhood Of Fionn The Birth Of Bran Oisín's Mother The Wooing Of Becfola The Little Brawl At Allen The Carl Of The Drab Coat The Enchanted Cave Of Cesh Corran Becuma Of The White Skin and Mongan's Frenzy. These tales not only preserve a cultural history but are also richly entertaining, especially to young minds, especially as Celtic folklore overflows with vivid stories that fire the imagination. In the words of Joseph Jacobs, a contemporary of Stephens, 'The Celts went forth to battle but they always fell. Yet the captive Celt has enslaved his captor in the realm of imagination. So we invite you to curl up with this unique sliver of Celtic Fairy culture not seen in print for almost a century and immerse yourself in the tales and fables of yesteryear.' **KEYWORDS TAGS** fairy tales folklore myths legends children's stories children's stories bygone era fairydom fairy land classic stories children's bedtime stories Celtic Irish fables story of tuan mac cairill boyhood of fionn birth of bran oisín's mother wooing of becfola little brawl at allen carl of the drab coat enchanted cave of cesh corran becumá of the white skin mongan's frenzy *Mouse House Tales* Susan

Pearson, 2023-09-27 What makes a mouse house a home? With a problem to solve, an unexpected friendship, and a little mystery to unravel, *Mouse House Tales* offers twice the story of a picture book and all the warmth and charm of a modern classic. The book's two stories can be read all at once or one at a time, making it a perfect fit for those who want a longer big kid book but aren't yet ready for text-heavy chapter books. Whether read aloud or by an independent reader, kids will relate to the emotions and friendships that help Mouse turn her sweet little house into a warm and inviting home filled with fun, friends, and cheese. Arminell, Vol. 3 Sabine Baring-Gould, 2021-12-02 **Arminell** Sabine Baring-Gould, 1890 **Arminell, a social romance** Sabine Baring-Gould, 2021-04-11 In *Arminell*, a Social Romance, Sabine Baring Gould presents a rich tapestry of Victorian social dynamics, weaving together elements of romance, class struggle, and personal transformation. The narrative unfolds in a rural English setting, portraying the lives of its characters with vivid descriptions and intricate dialogue that reflect both the societal norms and the burgeoning individualism of the era. Baring Gould's literary style deftly combines realism with romantic idealism, resulting in a compelling exploration of love's transcendence over social barriers and the quest for self-identity amidst rigid class structures. Sabine Baring Gould was a multifaceted figure: an ecclesiastic, folklorist, and novelist steeped in the complexities of his time. His background as an Anglican priest and his extensive travels provide insight into the various influences that permeate his writing. Notably, Baring Gould's pursuit of understanding societal mores

and human behavior reflects a deep concern for the struggles faced by those on the margins which undoubtedly informed his portrayal of the titular character Arminell as she navigates the constraints of her environment Arminell a Social Romance is highly recommended for readers interested in Victorian literature and social commentary It invites readers to contemplate the intersections of love class and identity while enjoying a captivating narrative that is both enlightening and emotionally engaging Baring Gould s ability to capture the complexities of human relationships makes this novel a must read for anyone seeking a nuanced understanding of societal transformations
