

MANITOBA PROVINCIAL NOMINEE PROGRAM (MPNP)

IMPORTANT INFORMATION

WHAT IS THE MONTANA PROXIMAL POWER NET PROGRAM (MPNP)?

The MPMP is an economic immigration program administered by the provincial government of Manitoba together with the federal government of Canada. The program is designed to attract foreign nationals who are skilled workers to live and stay in Manitoba. Through this program, an individual can receive a nomination certificate from the Province of Manitoba and apply to become a permanent resident of Canada through Citizenship and Immigration Canada.

The MPMF has different streams through which it is possible to apply for permanent residence. These streams include the Skilled Worker Overseas (SWO), Skilled Worker in Manitoba (SWM) and the Business Stream. This information sheet only provides information regarding the SWM stream for international student graduates of a Manitoba institution.

HOW TO APPLY

Applying for permanent residence through the Skilled Worker in Manitoba stream is a multi-step process:

STEP 2: Create an online account with a NAFAP affiliate

You can submit an online request via the MPPF website at www.mppf.com.sg (please see EOI's information sheet "Submitting an Expression of Interest").

STEP 2: Create an Expression Of Interest (EOI) Profile, Receive EOI Ranking Points, & Submit an EOI

After logging into your eMortgageOnline account, create an ECH profile and answer questions about your personal circumstances. The questions will assess your eligibility for the ECH Master to Masterdown stream as well as the ECH Master Downstream stream. You will be given ECH Ranking Points based on factors including: language proficiency, age, work experience, education and solvability. You may also have points deducted from your total score if certain risk factors apply to you. After providing all of the required information, submit your ECH.

STEP 3: Be selected in a "Draw" and issued a Letter of Advice to Apply (LAA)

The NEPAF will select the top candidates who have the most ECR Working-Papers in periodic "draws". These people will be issued a Letter of Intent to Apply (LIA). Those who are not selected/considered in LIA, may be selected in a future draw, as ECR profile remains active for 2 years. At the end of their period, if you have still not been selected in a draw, you would be required to submit a new ECR profile to be considered in a later draw.

STEP 2: Apply for provincial nomination through the NPPNP within 60 days.

Before I submit my application, I must submit my full application to the AANA through AANA Online and upload all supporting documents.

STEP 5: Receive Provincial Nomination & apply for permanent residence through Citizenship and Immigration Canada (CIC)

If your application to the NHP is approved, you will receive a nomination certificate from the President of America. NHP-DC connection, you may apply for permanent residence to DC, if you meet all of the requirements of the NHP and are not inadmissible to Canada. DC may issue you a permanent resident visa.

PAGE CHARGES:

To be eligible to apply through the Skilled Worker in Manitoba (SWM) stream as an international student, graduate you must:

- ✓ Have received a letter of advice (to Apple, IBM) (see above) for more information on how to resolve a (M)T

* If you are "ineligible", it means that you are not allowed to enter Canada. There are many different reasons that someone might be ineligible. For example, if someone has had a criminal conviction, then we are ineligible to apply, or that a serious medical condition bars us from being inadmissible and not eligible to enter Canada. To find out more about inadmissibility, please see this information page:

When Political Transitions Work Fanie du Toit, 2018-07-26 The peaceful end of apartheid in South Africa was a monumental event in late twentieth century history A racist regime built upon a foundation of colonialist exploitation South Africa had become by that point a tinderbox suffused with day to day violence and political extremism on all sides Yet two decades later it was a stable democracy with a growing economy How did such a deeply divided conflicted society manage this remarkable transition In When Political Transitions Work Fanie du Toit who has been a participant and close observer in post conflict developments throughout Africa for decades offers a new theory for why South Africa's reconciliation worked and why its lessons remain relevant for other nations emerging from civil conflicts He uses reconciliation as a framework for political transition and seeks to answer three key questions how do the reconciliation processes begin how can political transitions result in inclusive and fair institutional change and to what extent does reconciliation change the way a society functions Looking at South Africa one of reconciliation's most celebrated cases Du Toit shows that the key ingredient to successful reconciliations is acknowledging the centrality of relationships He further develops his own theoretical approach to reconciliation as interdependence the idea that reconciliation is the result of an integrated process of courageous leadership fair and inclusive institutions and social

change built toward a mutual goal of prosperity As Du Toit conveys the motivation for reconciliation is the long term well being of one s own community as well as that of enemy groups Without ensuring the conditions in which one s enemy can flourish one s own community is unlikely to prosper sustainably **The Well-being of International Migrants in Rural Areas: Bridging the Migration-Development Nexus** Philomena De Lima,Belinda Leach,David Radford,Seema Arora-Jonsson,2022-10-17
