### Group Activity: Charades

**Instruction:** The teacher will divide the class into two groups. Each group will be given an envelope with paper strips in it containing the example of the literary devices. Students must match the literary term with the example.

## B. Lesson Proper

A **literary device** is a tool used by writers to hint at larger themes, ideas, and meaning in a story or piece of writing. Both literary elements and literary techniques can rightly be called literary devices. In other words, it is a "**literary or linguistic technique** that produces a specific effect, esp. a **figure of speech, narrative style, or plot mechanism**".

Literary devices also include techniques that enhance elements such as setting, plot, and characterization of a literary work.

**Literary techniques** are specific, deliberate constructions of language which an author uses to convey meaning. An author's use of a literary technique usually occurs with a single word or phrase, or a particular group of words or phrases, at one single point in a text. Unlike literary elements, literary techniques are not necessarily present in every text.

**Figures of speech** are a major component of literary devices. Figurative language or figures of speech are any use of language where the intended meaning differs from the actual literal meaning of the words themselves.

*The teacher will discuss first the different literary devices used in Romeo and Juliet, and then discuss the other literary devices.*

**Metaphors:** A comparison of two ideas, events, objects, or people that does not use "like" or "as."

Examples found in Romeo and Juliet:

"This precious book of love, this unbound lover,  
To beautify him, only lacks a cover"

"Thou know'st the mask of night is on my face,  
Else would a maiden blush bepaint my cheek"

"But, soft! what light through yonder window breaks?  
It is the east, and Juliet is the sun."
