A Good Start Charles H. Spurgeon,2023-03-01 Mr Spurgeon was emphatically the friend of the young During the course of his successful and God honored ministry his supreme aim was to lead children and youth to Christ and to encourage and stimulate them in their aspirations after true nobility Now that his voice is hushed his powerful pen still speaks In this book with persuasive earnestness and characteristic force he shows those who are standing upon the threshold of life how to make A Good Start It is impossible to overestimate the importance of the start we make in the journey of life since it necessarily affects and largely determines all that follows No life can be truly success ful unless lived along the lines of Christian principles The first step must be surrendering the heart to Christ and all of life s journey must be lived in conscious fellowship with Him In this way we form true perceptions of life and duty and are enabled to give practical embodiment to God s idea concerning us It is during this character forming time of life that wise counsel faithful warning and sympathetic admonition are especially valuable Forthcoming Books Rose Arny,2003-04 The Eusebian Canon Tables Matthew R. Syriac translator in the fifth century to later monastic scholars in Ireland between the seventh and ninth centuries Finally from the eighth century onwards Armenian commentators used the artistic adornment of the Canon Tables as a basis for contemplative meditation These four case studies represent four different modes of using the Canon Tables as a paratext and illustrate the potential inherent in the Eusebian apparatus for engaging with the fourfold gospel in a variety of ways from the philological to the theological to the visual
