

The background is a classical-style landscape painting. It depicts a vast field of golden wheat in the foreground, leading up to rolling hills. In the distance, a range of mountains is visible under a sky filled with soft, golden light from a low sun, creating a hazy, atmospheric effect. traditional orthodox church and one long hidden in mysterious codes and symbols In medieval times dissenters believed the established church ruthlessly suppressed the truth about Jesus and his ministry Branded as heretics and subject to torture and execution for their beliefs the dissenters including the Knights Templar Freemasons Cathars and groups of scientists devised an ingenious code to communicate with fellow sympathizers and preserve the truth They concealed these complex symbols in art artifacts and architecture of the medieval world Finally this fascinating underground language is deciphered revealing powerful messages meant as much for today s truth seekers as for medieval minds

Lee,2013-07-22 The second edition of this book has been written to clean up some of the poorly worded statements in the first edition and to show important Bible verses rather than just refer to them It analyzes the key Greek words and discusses the message of the fifth chapter of the gospel of Matthew In so doing what Jesus meant when He spoke about what are called the Beattitudes salt light anger divorce truthfulness personal injury and love are discussed His message was not to show that people earn their salvation by good works Instead He was teaching them in embryonic form the way people that are indwelt by the Holy Spirit will be led While not everyone obeys the Spirit s leading and lives up to His teachings all Christians have the capability and responsibility From the beginning to the end the Lord s message was consistent He taught that a person should not merely live for himself or herself but that he or she should live for God first and then for others His whole sermon could have been summed up by a statement that He made on a later occasion Matthew 22 37 39 says Jesus said unto him Thou shalt love the Lord thy God with all thy heart and with all thy soul and with all thy mind This is the first and great commandment And the second is like unto it Thou shalt love thy neighbour as thyself In Matthew 5 48 the Greek word teleios was used for perfect That word means wanting nothing necessary for completeness Christians are not supposed to be wanting for anything in their spiritual lifestyle and manner They should be mature in their faith and willing to do their best to live by the principles that Jesus presented in His sermon *An American Commentary on the New Testament* Alvah
