Debris Scott Adams,2004-09 In God s Debris best selling author and creator of Dilbert Scott Adams fashioned a thought provoking exploration of life s great mysteries everything from quantum physics and God to psychic phenomena and dating that quickly captured the attention and imaginations of readers everywhere The intriguing story of a deliveryman who meets the world s smartest person and learns the secret of reality is threaded with a variety of hypnosis techniques that Adams a certified hypnotist used to induce a feeling of euphoric enlightenment in readers to mirror the main character s feelings as he discovers the true nature of the universe Launched to coincide with the hardcover publication of its sequel The Religion War see opposite page this first paperback edition of God s Debris will soon make the leap to a broader audience As Adams

designed it the book will make your brain spin around inside your skull and drive readers toward The Religion War as they seek to confirm or deny the dizzying impressions and chaotic memories of reading God s Debris The book provides one of the most compelling visions of reality ever experienced on the printed page Along the way readers will enjoy the Thought Experiment Trying to discover what s wrong with the sage s explanation of reality This is a book as Adams says to be shared and savored with smart friends

What Do You Call a Sociopath in a Cubicle? Answer: A Coworker Scott Adams,2002-08-02

Once every decade America is gifted with an angst ridden anti hero a Nietzschean nebbish an us against the universe everyperson around whom our insecurities collect like iron shavings to a magnet Charlie Chaplin Dagwood Bumstead Charlie Brown Cathy Now Dilbert The Miami Herald The former occupant of cubicle 4S700R at Pacific Bell seems to have made a go of this cartoon strip thing What began as a doodling diversion that Scott Adams shared with his officemates has exploded into one of the most read cartoon strips worldwide This Dilbert treasury What Do You Call a Sociopath in a Cubicle Answer A Coworker brings together all of the office psychos who have annoyed Dilbert and entertained millions This compilation pays homage to some of the most annoying and outrageous characters Adams has ever drawn characters he likes to call office sociopaths Edfred the two faced man Anne L Retentive Nervous Ted Loud Howard Alice and her fist of death This full color treasury reinforces everything that makes the strip great by lampooning the people and processes of business Adams homes in on all the quirky coworkers that drive us crazy in the corporate world He has fun at the expense of office oafs found in workplaces everywhere creatures like the Office Sociopath who listens to voice mail on his speaker phone and the Exactly Man who punctuates everything with a finger point exclaiming Exactly The result is a book

that leaves readers knowingly rolling their eyes and of course laughing uproariously **American Newspaper Comics**
