

• Threading the Upper Loooper

Place the spool of thread on the spool pin second from the right.

- * The points to thread for upper looper are marked in red.
- * A convenient threading chart is placed on the machine body inside the looper cover.

① Draw the thread through the thread guide second from the right from back to front.

② Pass the thread through the holes in the second row from the right of thread guide plate as illustrated.

③ Insert the thread between tension discs from the right. Then pull both sides of thread.

④ Pass the thread through upper looper thread guide (1).

How to Thread the Upper Loooper

Turn the hand wheel toward you until the upper looper comes to the middle point of its travel, and unhook the thread of the lower looper from the upper looper.

Thread the upper looper.
