Critical Literacy as Resistance Laraine Wallowitz, 2008. Critical Literacy as Resistance is a collaborative effort among secondary and university educators from across the United States that addresses questions such as: What does a critical literacy classroom look like? What various texts are used? What strategies do teachers use to encourage students and teacher candidates to recognize how texts construct power and privilege? How do educators inspire activism in and out of the classroom? This book documents the experiences of scholars and teachers who have successfully bridged theory and practice by applying critical literacy into their respective content areas. The authors spell out the difference between critical thinking and critical literacy, then show how to write and implement curriculum that incorporates diverse texts and multiple literacies in all content areas, including world language, and includes

the voices of students as they confront issues of race class gender and power The principles and practices laid out here will help teachers use literacy to liberate and empower students both in and outside the classroom by respecting and studying the literacies students bring to school while simultaneously teaching and challenging the literacies of those in power This is a book for pre and in service teachers in all content areas staff developers secondary literacy specialists university professors and anyone interested in social justice
