understanding interacting with outreaching to and serving library users of each culture Resources include cultural guides both print and online language helps with sample library vocabulary Asian booksellers nationwide cultural groups professional literature and more Resources and suggestions are given for all three types of libraries public school and academic making this book valuable for all librarians The demographics of each Asian culture numbers and distribution plus history of immigration and international student enrollment is also featured As a bonus each chapter spotlights a US public school and academic library providing model outreach to Asian library users Additionally this book provides a detailed description and analysis of libraries in each of the 24 Asian countries The history development facilities conditions technology classification systems and more of public school and academic libraries are all discussed with detailed documentation Country conditions influencing libraries and library use are also described literacy levels reading cultures languages and writing systems educational systems and more Based on the author's 15 years of research and travels to Asia this work is a must have for all librarians Globalisation, Values Education and Teaching Democracy Joseph Zajda, Pamela Hallam, John Whitehouse, 2023-01-18 This book critiques dominant discourses and debates pertaining to values education cultural identity and teaching democracy set against the backdrop of growing social stratification and unequal access to quality education It addresses discourses concerning globalisation ideologies and the state as well as approaches to values education and teaching democracy in schools The book explores the ambivalent and problematic connections between the state globalisation values education and teaching democracy It also explores conceptual frameworks and methodological approaches applicable to research on values education multiculturalism and identity politics Drawing on diverse paradigms ranging from critical theory to globalisation and by focusing on globalisation ideology and values education the book critically examines research dealing with cultural diversity and its impact of identity politics Given the need for a multiple perspective approach the authors have diverse backgrounds and hail from different countries and regions offer a wealth of insights contributing to a more holistic understanding of the nexus between values education multiculturalism and national identity With contributions from key scholars worldwide the book should be required reading for a broad spectrum of users including policy makers academics graduate students education policy researchers administrators and practitioners **The Right to Maim** Jasbir K. Puar, 2017-10-11 In *The Right to Maim* Jasbir K Puar brings her pathbreaking work on the liberal state sexuality and biopolitics to bear on our understanding of disability Drawing on a stunning array of theoretical and methodological frameworks Puar uses the concept of debility bodily injury and social exclusion brought on by economic and political factors to disrupt the category of disability She shows how debility disability and capacity together constitute an assemblage that states use to control populations Puar's analysis culminates in an interrogation of Israel's policies toward Palestine in which she outlines how Israel brings Palestinians into biopolitical being by designating them available for injury Supplementing its right to kill with what Puar calls the right to maim the Israeli state relies on liberal frameworks of

disability to obscure and enable the mass debilitation of Palestinian bodies Tracing disability s interaction with debility and capacity Puar offers a brilliant rethinking of Foucauldian biopolitics while showing how disability functions at the intersection of imperialism and racialized capital **School** ,1914 *Critical Thinking* Peter M.
