The Microstructures of Housing Markets Susan J. Smith, Moira Munro, 2013-10-31 House prices and mortgage debt have moved to centre stage in the management of national economies regional development and neighbourhood change Describing analysing and understanding how housing markets work within and across these scales of economy and society has never been more urgent But much more is known about the

macro scales than the microstructures and about the economic rather than social drivers of housing market dynamics This book redresses the balance It shows that housing markets are social cultural and psychological as well as economic affairs This multidisciplinary approach is helpful in understanding the economic staples of supply demand price and information It also casts new light on the emotional and political economy of markets **Economics** George Leland Bach,David J.
