Management Foundations and Applications 1st Asia Pacific edition is a more concise version of the popular text Management 4th Asia Pacific edition which is also published by Wiley. The 15 chapters of this edition cover key topics typically taught in a 12 or 13 week teaching semester. Joining the author team and enhancing this edition's critical analysis of management theory and applications are the best-selling authors from another of the Wiley's undergraduate introductory management texts Management Core Concepts and Applications 2nd Australasian edition Davidson et al.
