District Pacing Guide- Social Studies Fourth Nine Weeks

GRADE LEVEL, OR COURSE TITLE/ Course Code: SEVENTH GRADE- CIVICS

Course Code: F10001001

COURSE DESCRIPTION:

Civics 1-4 Course: The seventh grade social studies curriculum consists of the following content area strands: Civics, Geography, and Economics. The primary content for the course pertains to the principles, functions, and organization of government; the origins of the American political system; the roles, rights, responsibilities of United States citizens; and methods of active participation in our political system. The course is embedded with strong geographic and economic components to support civic education instruction.

Honors/Advanced courses offer scaffolded learning opportunities for students to develop the critical skills of analysis, synthesis, and evaluation in a more rigorous and reflective academic setting. Students are empowered to perform at higher levels as they engage in the following: analyzing historical documents and supplementary readings, working in the context of thematically categorized information, becoming proficient in note-taking, participating in Socratic seminars/discussions, emphasizing free-response and document-based writing, contrasting opposing viewpoints, solving problems, etc. Students will develop and demonstrate their skills through participation in a capstone and/or extended research-based paper/project (e.g., history fair, participatory citizenship project, mock congressional hearing, projects for competitive evaluation, investment portfolio contests, or other teacher-directed projects).

Please note the following important general information regarding the Pacing Guides:

- The Pacing Guides outline the required curriculum for social studies, grades K-12, in Miami-Dade County Public Schools.

Slight variations in pacing may occur due to professional decisions made by the teacher or because of changes in school schedules.
