Edition The Editorial team at Pearson has worked closely with educators around the world to include content which is  
especially relevant to students outside the United States Parkin's Microeconomics is a worldwide leader because it provides  
a serious analytical approach to the discipline using the latest policy and data Parkin trains students to think like economists  
by offering a clear introduction to theory and applying the concepts to today's events news and research From our global  
food shortage to global warming economic issues permeate our everyday lives In his Ninth Edition Parkin brings critical  
issues to the forefront Each chapter begins with one of today's key issues and additional issues appear throughout the  
chapter to show the real world applications of the theory being discussed When the chapter concludes students read between  
the lines to think critically about a news article relating to the issue demonstrating how thinking like an economist helps  
make informed decisions Parkin is so committed to currency that he uploads news articles almost daily to MyEconLab the  
online assessment and tutorial system that accompanies the text For the Ninth Edition assessment questions based on these  
Economics in the News articles will be uploaded periodically so that instructors can assign recent articles within MyEconLab
