More Faith Than Fear The Los Angeles Stake Story:

More Faith Than Fear Chad M. Orton, 1987 History of the Los Angeles Stake of The Church of Jesus Christ of Latter day Saints Includes the history of the stake administrations portraits of stake presidents and description of the various historic ward meetinghouses within the stake Sojourner in the Promised Land Jan Shippo, 2024-04-22 Infused with Jan Shippo's lively curiosity scholarly rigor and contagious fascination with a significant subculture *Sojourner in the Promised Land* presents a distinctive parallel history in which Shippo surrounds her professional writings about the Latter day Saints with an ongoing personal description of her encounters with them By combining a portrait of the dynamic evolution of contemporary Mormonism with absorbing intellectual autobiography Shippo illuminates the Mormons and at the same time shares with the reader what it has been like to be on the outside of a culture that remains both familiar and strange *A Newsmen Remembered* Robert Smith Jordan, 2011-04-12 *A Newsmen Remembered* is not just the story of the life of Ralph Burdette Jordan RBJ or Jock who was a remarkable newspaperman motion picture publicist war correspondent It is also a glimpse into an era of American social and political history that is now unfortunately largely forgotten if not discarded The compelling personalities with whom he engaged Aimee Semple McPherson William Randolph Hearst Louis B Mayer General Douglas MacArthur are but fading memories which this book briefly restores The first half of the 20th century began as an era of optimism that encompassed a belief that working hard along with seizing the main chance would produce social professional and financial success Ralph Jordan certainly exuded that optimism in everything that he encountered in his short life Along with his contemporaries moving into the great largely ill defined middle class was his overarching goal Within this goal family life was an important ingredient for him marriage in his day was still a partnership with clearly defined marital roles and expectations Ralph and Marys marriage reflected that domestic configuration Religious faith if not always observed to the letter also formed an important part of their family life It could not be otherwise for them and those other largely third generation descendants of Mormon pioneers and their non Mormon contemporaries with whom they associated These so called Mormon second and third generation diasporans were willing even eager to leave behind them the remoteness of what was then described as Zion to seek more promising futures elsewhere retaining as best they could their unique heritage Thus Ralph Jordans story is indeed a life and times story worth telling David O. McKay and the Rise of Modern Mormonism Gregory A. Prince, William Robert Wright, 2005 Focuses primarily on the years of McKay's presidency of the Church of Jesus Christ of Latter day Saints during some of the most turbulent times in American and world history **A Diasporan Mormon's Life** Robert S. Jordan, 2009-02-05 Offering a glimpse into the lives of upwardly mobile Mormon professionals this series of personal essays by author Dr Robert S Jordan describes his odyssey as a third generation Mormon of polygamous descent whose family ascended from rural pioneer poverty to upper middle class social and economic success *A Diasporan Mormons Life* chronicles the life of Jordan a child of the Mormon Diasporans who left the social and cultural isolation of Utah

for a more secular modern America This memoir describes his struggle to find his personal identity from the tensions created between his religious heritage and his secular upbringing Jordans life is remarkably varied He studied at East Coast and California high schools state universities such as UCLA and the University of Utah and institutions such as Princeton and Oxford He witnessed World War II the Korean War the Cold War Vietnam and survived Hurricane Katrina He lived in large urban centers and locations on the global periphery He engaged in academic research and teaching university administration and government service A searching informative and entertaining memoir enhanced with numerous photos this memoir distills and clarifies the experiences of his generation and contributes to the history and sociology of twentieth century

Bringhurst, Lavina Fielding Anderson, 2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association Excavating Mormon Pasts assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century Diné dóó Gáamalii Farina King, 2023-10-27 Navajo Latter day Saints are Din d G amalii writes Farina King in this deeply personal collective biography We are Din who decided to walk a Latter day Saint pathway although not always consistently or without reappraising that decision Din d G amalii is a history of twentieth century Navajos including author Farina King and her family who have converted and joined the Church of Jesus Christ of Latter day Saints LDS becoming Din d G amalii both Din and LDS Drawing on Din stories from the LDS Native American Oral History Project King illuminates the mutual entanglement of Indigenous identity and religious affiliation showing how their Din identity made them outsiders to the LDS Church and conversely how belonging to the LDS community made them outsiders to their Native community The story that King tells shows the complex ways that Din people engaged with church institutions in the context of settler colonial power structures The lived experiences of Din in church programs sometimes diverged from the intentions and expectations of those who designed them In this empathetic and richly researched study King explores the impacts of Navajo Latter day Saints who seek to bridge different traditions peoples and communities She sheds light on the challenges and joys they face in following both the Din teachings of Si a h Naagh Bik eh H zh live to old age in beauty and the teachings of the church **Brigham Young University Studies** Brigham Young University, 1991 A voice for the community of LDS scholars Regional Studies in Latter-day Saint Church History Brigham Young University. Columbia as the daughter of an Anglican missionary to the Tsimshian Indians She lived in Los Angeles as a Mormon missionary assigned to work as a genealogist Her personal journey through repeated frontier adventures religious service and economic challenges is as worth noting as where she went but it would be far less engaging if she did not write about it so well Her memory for detail and her felicity in putting it to paper will reward those who delve into her Family History as she titled her memoir Claudia L Bushman descendant of Pansy Gordon author of numerous books taught American studies at Columbia University for many years and taught Mormon studies at Claremont Graduate University from 2008 to 2011 She has included letters and other documents that complement this memoir Encyclopedia of Latter-Day Saint History Arnold K.
