overturned the dominant traditions of comic book publishing as it has existed since the end of the Second World War seeking instead to instill the medium with experimental and avant garde tendencies commonly associated with the visual arts This book addresses this transformation L'ascension du haut mal David B (pseud.),1998 *Epileptic* David B.,2006-07-04 From one of Europe s most important and innovative comics artists comes his greatest masterpiece a stunning and emotionally resonant autobiography about growing up with an epileptic brother Epileptic gathers together and makes available in English for the first time all six volumes of the internationally acclaimed graphic work David B was born Pierre Fran ois Beauchard in a small town near Orl ans France He spent an idyllic early childhood playing with the neighborhood kids and along with his older brother Jean Christophe ganging up on his little sister Florence But their lives changed abruptly when Jean Christophe was struck with epilepsy at age eleven In search of a cure their parents dragged the family to acupuncturists and magnetic therapists to mediums and macrobiotic communes But every new cure ended in disappointment as Jean Christophe after brief periods of remission would only get worse Angry at his brother for abandoning him and at all the quacks who offered them false hope Pierre Fran ois learned to cope by drawing fantastically elaborate battle scenes creating images that provide a fascinating window into his interior life An honest and horrifying portrait of the disease and of the pain and fear it sowed in the family Epileptic is also a moving depiction of one family s intricate history Through flashbacks we are introduced to the stories of Pierre Fran ois s grandparents and we relive his grandfathers experiences in both World Wars We follow Pierre Fran ois through his childhood adolescence and adulthood all the while charting his complicated relationship with his brother and Jean Christophe s losing battle with epilepsy Illustrated with beautiful and striking black and white images Epileptic is as astonishing intimate and heartbreaking as the best literary memoir
