Supreme Court, 1923 **Pater's Portraits** Gerald Cornelius Monsman, 2019-12-01 Originally published in 1967 Monsman undertakes a comprehensive critical analysis of Walter Pater s fiction which presents the critic with numerous causes of frustration not the least of which is a lack of both dramatic narration and description Pater is rarely

vivid and firsthand in his fiction he tends instead toward exposition Monsman s emphasis in Pater s Portraits is tracing out the conscious artistic structure of Pater s fiction The scope of Pater s writings comprises nothing less than Western culture itself its subject is all that man has written thought said sung hoped or prayed as a civilized creature over two and one half millennia Pater s success in handling such panoply is attributable to his discovery of a coherent pattern by which art religion and life can be organized Monsman aims to discover in Pater s fiction the use of old scientific religious patterns of myth to explain moments of religious and cultural awakening to reveal the way in which one man arrived at a credo that would answer to the desolation of life and culture      **The Railway Conductor** ,1901      Recollections in Tranquility Maurice Basil
