**Propaganda: How TV, Movies, and Music Shape Our Culture** Mark Dice,2020-10-03 Films and television shows aren't just entertainment. They are powerful vehicles that influence social and political trends ultimately shaping the very fabric of our culture. Because of this potential, there are various agencies which work behind the scenes in Hollywood to harness these forces for their own aims or those of their clients. Few people outside the industry are aware that such agencies exist and are hired by advocacy groups to lobby studios, writers, and producers in order to get their ideas inserted into plots of popular works. These Hollywood lobbyists have been instrumental in successfully paving the path for same-sex marriage to become legal, destigmatizing abortion, encouraging mass immigration, and sounding the alarm about climate change, all under the cloak of mere entertainment. More recently, we've seen these same powers levied against President Trump, his supporters, and used to demonize white privilege as an invisible enemy that's supposedly around every corner. Even sports and late-night comedy shows are employed for political causes, violating the once-unwritten cardinal rules of their industries. In this groundbreaking work, media analyst Mark Dice details the true power of entertainment and proves how it is being used to wage a psychological war against the world. **Broadcasting & Cable** ,2006-10 **Mediaweek** ,2006-04 **All the**

**Single Ladies** Dorothea Benton Frank,2015-06-09 The perennial New York Times bestselling author returns with an emotionally resonant novel that illuminates the power of friendship in women's lives and is filled with her trademark wit, poignant and timely themes, sassy flesh-and-blood characters, and the steamy Southern atmosphere and beauty of her beloved Carolina Lowcountry. Few writers capture the complexities, pain, and joy of relationships between friends, family members, husbands, and wives or lovers as beloved New York Times bestselling author Dorothea Benton Frank. In this charming, evocative, soul-touching novel, she once again takes us deep into the heart of the magical Lowcountry where three amazing, middle-aged women are bonded by another amazing woman's death. Through their shared loss, they forge a deep friendship, asking critical questions: Who was their friend, and what did her life mean? Are they living the lives they imagined for themselves? Will they ever be able to afford to retire? How will they maximize their happiness, security, health, and ultimately their own legacies? A plan is conceived and unfurls with each turn of the tide during one sweltering summer on the Isle of Palms. Without ever fully realizing how close they were to the edge, they finally triumph amid laughter and maybe even newfound love. **The eBay Price Guide** Julia L.
