Manual - A Guide To Lose Fat, Build Muscle, And Live A Healthier Life Charan G, 2020-09-15 Do you want to be fit Do you want to gain muscle Do you want to be healthy If you answered YES to the questions then this is the right book for you Because many people start off great with their exercises and eating plan but then quickly fall off of it This is a common problem because we live in a society that expects instant results It takes time to lose weight and get in shape although you can begin this process in as little as seven days You have to be ready to commit to weight loss and do what it takes to reduce weight The weight isn't going to come off on its own you have to do some work If you go into it thinking that there's some

magic bullet you're going to be disappointed in your results. Excessive weight can definitely be an obstacle in life. This is simply the harsh reality. Although you don't want to give people the time of day who treat you any different, it's a weird world out there and sometimes it's just easier to not have an extra thing that people can judge you on. You also can't lose fat, build muscle if you do not have the right tools and you have to look to a support system to help you out. A good support system is essential; the stronger it is, the easier it will be to accomplish your goals. This book is a great support system with right knowledge and tools and will provide you with the information you need to get that dream body of yours. This book will show you:

- Getting Started with Body Recomposition
- 1 Who is Eligible for Body Recomposition
