Eyewitness accounts by the participants of both sides and islanders leave us in no doubt as to the ferocity of the combat on land sea and in the air Comparison photography in color of all the battlefields the crash sites of the aircraft shot down the relics and the remains together with portraits of those who lost their lives and the battlefield memorials serve as a graphic testimony to their endeavors 25 years after the battle A Roll of Honour lists the casualties of both sides and for the first time the graves of all the British fallen both on the islands and in the United Kingdom have been visited and photographed as a lasting record of all those who made the supreme sacrifice
