Larry Crabb Connecting:

Connecting Dr Larry Crabb, Lawrence J. Crabb, 1998-10-15 In this groundbreaking work Larry Crabb shows readers how to build intimate healing connections with others mini communities where God's power to heal souls is quickened and released through individuals compassionate authentic relationships with others **Connecting , The Safest Place on Earth** Larry Crabb, 1999-07-29 In today's frenetic society people rarely develop intimate friendships Instead they spend their lives essentially disconnected from others rushing through life content with brief visits and casual conversations But what if one were to develop a community a spiritual community of people who walked with and supported each other through life's journey A community of real friends who listened to each other's personal tragedies without merely trying to fix the problems who encouraged and nurtured each other's strengths and who accepted people for who they really are instead of the image they try to portray In *The Safest Place on Earth* Larry Crabb explores such a place where God can heal disconnected people and allow them to reconnect with each other and ultimately with Him *Understanding who You are* Larry Crabb, 1997 Life is all about relationships with God with others and with ourselves Learn what your relationships say about you and how you can make them stronger **Leaving the Place Called Stuck** Dr. April Griseta, 2022-05-06 Are you stuck in your life journey and want to move forward Do you want to learn why you are stuck and how to get out Come and explore the following The whys of procrastination The secondary gains for staying in stuck The forces of darkness thwarting your destiny The spiritual paralysis binding you The ungodly mindsets entrapping you *Leaving the Place Called Stuck* is a book to awaken the bride of Christ out of her slumber In this new awakening she will be propelled into her God-given destiny **Spiritual Abuse Recovery** Barbara M. Orlowski, 2010-01-01 What factors contribute to active Christians in ministry leaving their church and becoming exiting statistics Every year dedicated Christian people leave churches because of spiritual abuse The stories of people who left their home church because of a negative and hurtful experience paint a picture of a widespread occurrence which beckons consideration by church leaders and church congregants alike Spiritual abuse the misuse of spiritual authority to maltreat followers in the Christian Church is a complex issue This book shows how people processed their grief after experiencing spiritual abuse in their local church and how they rediscovered spiritual harmony Their spiritual journey shows how one may grow through this devastating experience This book offers a thoughtful look at the topic of spiritual recovery from clergy abuse through the eyes of those who have experienced it It invites church leaders to consider this very real dysfunction in the Church today and aims to demonstrate a path forward to greater freedom in Christ after a season of disillusionment with church leadership *1001 Illustrations That Connect* Craig Brian Larson, Phyllis Ten Elshof, 2009-01-06 Every preacher teacher or writer knows the value of a good illustration in helping connect the truth of the passage with the congregation or class and how hard it is to come up with good illustrations week after week This book contains the cream of the crop 1001 illustrations carefully selected from among thousands on Christianity Today

Ross Hastings, 2025-08-19 Pastors regularly face concrete ethical questions and they too pursue a moral life In the busyness of ministry it can be tempting to think pragmatically or derive one s ethics from the latest cultural concerns But standard approaches to ethics whether deontological utilitarian or virtue ethical all fall short of being distinctly Christian Ethics ought to be grounded in the gospel and in our triune God In Pastoral Ethics W Ross Hastings provides pastors with an evangelical and trinitarian framework for moral formation and ethical discernment For Hastings ethics must be reclaimed as theological Theology without ethics becomes Gnosticism Ethics without theology leads to legalism and death Christian ethics participates in God s life and God s work This communion with God leads to obedience to his commands as summed up in the Decalogue and over several chapters Hastings provides a rich exposition for pastoral formation Pastors find their identity in God and this inspires right thinking and acting with regard to authority life and death sexuality work and rest speech and desires An approach to ethics that prompts faith hope and love Pastoral Ethics is an essential guide for Christians in all ministry contexts
