Hebrews and James Gerald McDaniel, 2020-05-13 If I could afford it I would put a copy of the Book of Hebrews in the hand of every unbelieving Jew The entire Book of Hebrews is a wonderful gospel tract to the unbelieving Jew It answers every question that the Jew might have and reveals the true history of the Jew in the process This is why there should be no surprise to the fact that the author to the Book of Hebrews is not revealed in the book itself This author believes that the human author to the Book of Hebrews is Paul the Apostle

PROSPERITY GOSPEL - and it's effect on the 21st Century Church - A Historical and Theological perspective on the Prosperity Gospel DR. JEFFERY B.

BOWENS, 2012-01-27 The Prosperity Gospel has been one of the most talked about discussions of the 21st century particularly within the Christian Community The battle line has been drawn by prominent theologians influential scholars pundits and televangelists alike who are on different sides of this debate and no one is conceding ground to anyone else The narrow view simply places emphasis and focus on a more capitalistic view of prosperity such as exquisite homes fashionable wardrobes excessive wealth expensive cars material and temporal possessions Things which are tangible and are seen have come to symbolize for many prosperity and achieving the American dream On the other hand the broader perspective of prosperity is associated with possessing good health accomplishing ones goals experiencing a changed life having a healthy home life seeing others become productive members of society and maintaining a perpetual fellowship with the creator Wherefore this material will help the reader to be more distinct and precise in defining the different nuances of prosperity from a historical and theological perspective

Strong's Exhaustive Concordance of the Bible James Strong, 2007 Allows the reader to easily find all biblical occurrences of a word in the King James Version points the reader to the underlying Hebrew and Greek words using the Strong's numbering system updated Hebrew and Greek dictionaries give brief definitions of each word of the original languages Cover
