WORKSHEET 12

PART I

READING THE MORAL IN THE MYTH

- The Greek story of creation can actually be seen as a series of contests: between Zeus and Prometheus; between Pandora and her husband, who had forbidden her to open the box; between reason and emotion; and even between good and evil. Let's look for a moment at the contest of wills between Zeus and Prometheus. Prometheus represents intellect, selflessness, and devotion to principle. (Prometheus refuses Zeus's offer because he sees Zeus as an unjust ruler.) Zeus, on the other hand, is harsh, vengeful, and jealous of his power—which is physical rather than intellectual. He may be the actual ruler, but he is not the ideal one.

Now you have a chance to take another look at each of these contestants and see how they fared. In the following sentences, fill in the blanks to complete the statement.

1. Prometheus was punished for doing a good deed. But Prometheus did _____ fire to bring it to mankind, and he _____ the supreme ruler, Zeus.
2. Having deposed Cronus, Zeus was the supreme ruler and was able to take revenge on those who offended him. But Zeus did not have Prometheus's power to _____ the future, and Zeus _____ that he might be overthrown.
3. Epimetheus had the honor of creating all the animals, and he married a beautiful woman. But he lacked _____ and did not recognize _____ advice when he heard it.
4. Pandora was beautiful and was favored by the gods. But her _____ and her _____ brought trouble upon her and everyone else.

The myth seems to point out that whatever our motives and whatever our capabilities, we must expect to take the consequences for our action.

5. There is an obvious parallel to Pandora's act in the Christian belief. What is it?
6. The English poet Alexander Pope once wrote:

Hope springs eternal in the human breast;
