Jaccuse De Gaulle:

De Gaulle Julian Jackson, 2018-08-13 In a definitive biography of the mythic general who refused to accept Nazi domination of France Julian Jackson captures this titanic figure as never before Drawing on unpublished letters memoirs and resources of the recently opened de Gaulle archive he shows how this volatile visionary put a broken France back at the center of world affairs [New Makers of Modern Culture](#) Wintle Justin, 2013-05-13 New Makers of Modern Culture is the successor to the classic reference works Makers of Modern Culture and Makers of Nineteenth Century Culture published by Routledge in the early 1980s The set was extremely successful and continues to be used to this day due to the high quality of the writing the distinguished contributors and the cultural sensitivity shown in the selection of those individuals included New Makers of Modern Culture takes into full account the rise and fall of reputation and influence over the last twenty five years and the epochal changes that have occurred the demise of Marxism and the collapse of the Soviet Union the rise and fall of postmodernism the eruption of Islamic fundamentalism the triumph of the Internet Containing over eight hundred essay style entries and covering the period from 1850 to the present New Makers includes artists writers dramatists architects philosophers anthropologists scientists sociologists major political figures composers film makers and many other culturally significant individuals and is thoroughly international in its purview Next to Karl Marx is Bob Marley next to John Ruskin is Salman Rushdie alongside Darwin is Luigi Dallapiccola Deng Xiaoping runs shoulders with Jacques Derrida Julia Kristeva with Kropotkin Once again Wintle has enlisted the services of many distinguished writers and leading academics such as Sam Beer Bernard Crick Edward Seidensticker and Paul Preston In a few cases for example Michael Holroyd and Philip Larkin contributors are themselves the subject of entries With its global reach New Makers of Modern Culture provides a multi voiced witness of the contemporary thinking world The entries carry short bibliographies and there is thorough cross referencing There is an index of names and key terms [New Makers of Modern Culture](#) Justin Wintle, 2016-04-22 New Makers of Modern Culture is the successor to the classic reference works Makers of Modern Culture and Makers of Nineteenth Century Culture published by Routledge in the early 1980s The set was extremely successful and continues to be used to this day due to the high quality of the writing the distinguished contributors and the cultural sensitivity shown in the selection of those individuals included New Makers of Modern Culture takes into full account the rise and fall of reputation and influence over the last twenty five years and the epochal changes that have occurred the demise of Marxism and the collapse of the Soviet Union the rise and fall of postmodernism the eruption of Islamic fundamentalism the triumph of the Internet Containing over eight hundred essay style entries and covering the period from 1850 to the present New Makers of Modern Culture includes artists writers dramatists architects philosophers anthropologists scientists sociologists major political figures composers film makers and many other culturally significant individuals and is thoroughly international in its purview Next to Karl Marx is Bob Marley next to John Ruskin is Salman Rushdie alongside Darwin is Luigi

Dallapiccola Deng Xiaoping runs shoulders with Jacques Derrida as do Julia Kristeva and Kropotkin Once again Wintle has enlisted the services of many distinguished writers and leading academics such as Sam Beer Bernard Crick Edward Seidensticker and Paul Preston In a few cases for example Michael Holroyd and Philip Larkin contributors are themselves the subject of entries With its global reach *New Makers of Modern Culture* provides a multi voiced witness of the contemporary thinking world The entries carry short bibliographies and there is thorough cross referencing There is an index of names and key terms

Soldiers as Statesmen Peter Dennis, Adrian Preston, 2020-12-22 The Duke is a soldier a bad education for a statesmen in a free country Sir Walter Scott's fear of the political soldier has long been part of Western political life Yet although many countries would have preferred to keep the military out of politics few have been successful Originally published in 1976 this book examines the careers of five distinguished twentieth century soldiers and assesses their contribution as statesmen Hindenburg Byng Franco Eisenhower and De Gaulle all came into political life in different circumstances but none did so in the name of the profession or to establish a praetorian state Each was a professional soldier who found himself drawn into the political arena Each of these essays illuminates one aspect of the range of political sociological and historical issues which now surround the interrelationship of civil and military At a time when the tensions of democracy both internally and externally impose increasing pressure on the role of the military in society it is important to study the history of soldiers as statesmen *Routledge Library Editions: Security and Society* Various, 2021-09-30 This 12 volume set contains titles originally published between 1934 and 1995 An eclectic mix of titles this collection draws from anthropology economics ethics politics psychology and sociology Exploring security in both war and peacetime it includes volumes looking at the causes of war and its effect on society as a whole the soldiers themselves and their place in society the portrayal of war in the press both in words and photographs and the politics behind them

Entre-Textes Oana Panaïté, Vera A. Klekovkina, 2017-07-28 *Entre Textes* introduces advanced students of French to the richness of the Francophone world through literature from the Middle Ages to the 21st century The course anthology is divided into fourteen modules each of which pairs a classical text with a modern one Students are guided to read works from different periods of time and cultural origin and consider how these echo complement or question each other Through comparing and contrasting the texts students will develop a new approach to reading literature while simultaneously reinforcing linguistic and cultural competencies Suitable for advanced students of French and featuring texts from across the French speaking world *Entre Textes* is an innovative course anthology with a flexible structure and versatile methodology
