Living in a time of economic uncertainty how do we handle the inevitable stress As unemployment health care costs and mortgage foreclosures all rise where can we turn to regain our confidence In the face of war terrorist threats and global warming how can we get beyond our fears and anxieties Where can we turn to find peace Is there a big picture that can help us separate the merely urgent from the truly important These are some of the questions this book confronts Moving beyond simplistic answers it offers an insightful and thought provoking look at some of life s everyday concerns Looking at the world through the lens of the Christian faith the book is divided into three parts Part one examines how we look at the world Part two helps us determine what counts in coping with life s challenges The third section introduces Jesus and what we can learn from his life as seen through the various roles he played **The Morning Star and Free Baptist** ,1907 The Sunday School Teachers' Normal Course George William Pease, 1895 **Religious Telescope** ,1903
