Journeys Crossroads English Edition:

Journey to Xibalba Don Patterson, 2007-10-16 This analogy of the journey through life based on Mayan mythology was written by a veteran archaeologist to advise his daughter on her professional future **Journey'S Chosen** B. K. Parent, 2017-03-22 At the great summer fair at the capital a little less than a year ago the Gylden Sirklene challenge Sommerhjems ancient way for choosing rulers was called forcing Regent Cedric Klingflug to step down The governing of the country was turned over to an interim ruling council One year to the day the challenge was called all nine pieces of the oppgave ringe must be brought to the capital It is now the start of the summer fair season but only seven of the pieces of the oppgave ringe have been safely delivered to the capital With few scant weeks left before the great summer fair the rules governing the Gylden Sirklene challenge need to be fulfilled Time is running out for both those who support the Crown and those who support the former regent All too soon Nissa Carz and her fellow ring carriers are caught up in a race against time desperate to find the final pieces of the oppgave ringe in order to initiate the challenge and return to the ancient way of choosing the rightful ruler of Sommerhjem **Journey'S Crossroads** B. K. Parent, 2015-06-26 At the great summer fair in the capital city of Sommerhjem the evil Regent is forced to step down due to the calling of the Gylden Sirklene challenge leaving the future of the country hanging in the balance One year to the day the challenge was called all nine pieces of the oppgave ringe must be delivered to the capital Six pieces are already there but three more need to be found The race for the last three pieces of the oppgave ringe has caused the opponents of the Crown to become more desperate seeking any means necessary to prevent even one more of the pieces from reaching the capital Piper a former border guard of the southern mountains Theora a border guard of the eastern mountain passes and Lom a laborer in the royal palace gardens find themselves thrown together in pursuit of the remaining pieces As the three crisscross the country in their search they must elude agents sent by the former Regent with a particular interest in Lom Sommerhjem has reached a crossroads and only time will reveal the direction it will take In this continuing fantasy series Piper Lom and Theora race against the forces of a corrupt regent in order to restore rightful rule to the country of Sommerhjem **A Fractured North** Erich Kasten, Igor Krupnik, Gail Fondahl, 2025-03-03 The volumes of the Fractured North series address research collaborations in Siberia and the Russian North that are now at risk or frozen and how partnerships might be restored under the evolving political situation The first two volumes explored ethical and moral dilemmas of continuing collaborative studies in the fractured North and the ramifications of ceasing such collaborations While many scholars have pivoted their attention to other regions others have maintained their focus on the Russian North striving to sustain the circumpolar approach of the past decades Contributions in this third volume deal with how we might move forward despite the many fissures in our field Moving forward includes a variety of approaches adopting new er methodologies for carrying out studies from afar e g netography establishing new connection hubs at Western institutions maintaining already established collaborations via joint meetings on

neutral territory and more We anticipate that these volumes together will provide a record of the reflections concerns anguish and inspirations of over fifty social scientists who chose the Russian North as their locus of research We also dearly hope that it will serve as a historic account of a period of fracture that will before long heal
