Jude The Obscure Thomas Hardy, 2013-11-01 Like Tess of the D'Urbervilles the story of Jude the Obscure is a manifestation of the author's later manner a manner which is a natural and almost inevitable development in a writer who possesses Mr Hardy's extraordinary capacity for observation profound knowledge of human nature and philosophical ideas concerning the problem of existence Mr Hardy has never been an author to write novels merely for the purpose of providing entertainment or for illustrating in more or less persuasive form some preconceived didactic proposition He has been content to take men and women as they are and no one in English fiction possibly no one in the whole range of modern literature has been able to surpass him in depicting the reaction of circumstances upon character In this carefully reasoned closely woven narrative of Jude the Obscure he sets before us the entirely natural and consistent experiences of two sensitive and impulsive creatures who have been profoundly and disastrously affected by the changes in popular thought regarding ideals of religious faith and personal conduct who yielding to their thoroughly undisciplined emotions work out for themselves a destiny full of bitterness and sorrow It has been said that Mr Hardy is not a writer to work on preconceived theories but he certainly has some effective doctrines regarding the behavior of the two sexes under similar conditions and when one comes to analyze this story one finds that a settled conviction underlies its entire texture and this conviction is that misfortunes and disappointments which soften the heart of man and tend to make him more considerate and charitable in his dealings with

his fellows have as a rule a contrary effect upon the heart of a woman Index of English Literary Manuscripts, 1800-1900 Barbara Rosenbaum,1990 This collection locates and describes the surviving manuscripts of six British 19th century writers Hardy Hazlitt Hopkins Keats Kipling and Lamb As a research tool the work contributes to the study of primary sources of English literature The information has been gathered by personal scrutiny of the manuscripts rather than via secondary sources An introductory essay to each author summarizes the history special features and problems presented by the manuscripts making reference to the standard edition of his or her works and gives brief information on manuscripts of a non literary nature Jude the Obscure by Thomas Hardy(Annotated Edition) Thomas Hardy,2021-08-24 Jude the Obscure the last completed novel by Thomas Hardy began as a magazine serial in December 1894 and was first published in book form in 1895 Its protagonist Jude Fawley is a working class young man a stonemason who dreams of becoming a scholar The other main character is his cousin Sue Bridehead who is also his central love interest The novel is concerned in particular with issues of class education religion and marriage **The Thomas Hardy Journal** ,1996 **Lord Jim** Joseph Conrad,2000-11-07 One of Joseph Conrad s greatest novels Lord Jim brilliantly combines adventure and analysis Haunted by the memory of a moment of lost nerve during a disastrous voyage Jim submits to condemnation by a Court of Inquiry In the wake of his disgrace he travels to the exotic region of Patusan and as the agent at this remote trading post comes to be revered as Tuan Jim Here he finds a measure of serenity and respect within himself However when a gang of thieves arrives on the island the memory of his earlier disgrace comes again to the fore and his relationship with the people of the island is jeopardized This new Broadview edition is based on the first British edition of 1900 which provides the historical basis for the accompanying critical and contextual discussions The appendices include a wide variety of Conrad s source material documents concerning the scandal of the Jeddah along with other materials such as a substantial selection of early critical comments **Jude The Obscure Annotated** Thomas Hardy,2021-04-30 Jude the Obscure is a novel by Thomas Hardy which began as a magazine serial in December 1894 and was first published in book form in 1895 It is Hardy s last completed novel Its protagonist Jude Fawley is a working class young man a stonemason who dreams of becoming a scholar The other main character is his cousin Sue Bridehead who is also his central love interest The novel is concerned in particular with issues of class education religion morality and marriage The Literary North K.
