Lord Of Danger English Edition:

The English Version of the Polyglott Bible, 1843 *God's Dangerous Book* Nick Page, 2011-04-01 God's Dangerous Book is the dramatic story of the history of the Bible. More it's a book about how the Bible has always been a dangerous provocative text. The Bible is more than just a piece of literature. It's a challenge, an inspiration, a wild unsettling mandate for revolutionary behaviour. And that is exactly how people have used it over the years for good and ill. Uniquely presented, God's Dangerous Book draws together story and scholarship with lively accounts of the people, powers and incidents involved in bringing the Bible in the language of the people into English. Informative, thought provoking and very readable, this is a book that will help you discover the story behind the world's bestseller. It tells how the Bible was created, how it became a best selling book and the effects it had on those who encountered it. Through a discussion of democracy and literacy, learning and communication, this book shows how the Bible is above all about freedom and why Gandhi described God's book as containing enough dynamite to blow all civilisation to pieces. *The Lives of the Lord Chancellors and Keepers of the Great Seal of Ireland* J.
