**Lorraine Pascale - Supermodel Chef: The Unauthorised Biography** Sue Blackhall, 2013-10-17 LORRAINE PASCALE is a household name with several cookery shows and a number of bestselling cookery books under her belt plus a modelling career to boot But what do we really know about this beautiful celebrity chef and just who is the real Lorraine Pascale Author Sue Blackhall reveals for the first time the truth behind Lorraine Pascale's marriage and the story behind the colourful aristocrat who betrayed her While Lorraine was suffering with the pain of divorce the woman who had taken her husband was in court formally changing her name to his The result was an intriguing clash of the Countesses with both women determined to bear that title However that was not the only legacy of her marriage to a Polish Count whose wealth and its effect on Lorraine's life has never been disclosed before The life of Lorraine Pascale given up at birth suffering abandonment both as a child and a grown woman and fighting prejudice all the way is a true rags to riches tale Despite not having a straightforward upbringing Lorraine has not only had a successful modelling career after being spotted at the tender age of 16 but she has gone on to complete the Leith's Diploma of Food and Wine a foundation degree in International Culinary Arts in Pastry and work in some of the most renowned kitchens of the world Now Lorraine has established herself as a TV personality with her own cookery series Baking Made Easy and is a sought after chef Lorraine Pascale Supermodel Chef encompasses her rise from a housing association latchkey kid to a New York penthouse supermodel and from the insecurity she suffered as an adopted child to stardom as one of our most successful celebrity chefs This is a must read book

**Food and Cooking Skills Education** Anita Tull, 2018-01-29 Food and Cooking Skills Education FCSE is a complex mix of policy and practicality educational theory and pedagogy classroom and government policy This book shows how FCSE has been at the centre of a tussle between education and policy for decades It reviews how FCSE has grappled with various significant issues of concern that threaten to marginalise it and pose problems for educational practicalities as expectations are increased but resources are squeezed It assesses the debate about the significance and importance of acquiring practical food and cooking skills in a society where the purchase of ready made food has become commonplace and public knowledge of where our food comes from is noticeably lacking This has contributed to the escalating incidence of diet related diseases and the attendant cost to society and threatened environmental sustainability In turn governments have reacted by proposals to make practical cooking skills a statutory National Curriculum subject as part of the armoury for tackling such costs Based on detailed research conducted across England and Wales as well as comparisons with thirty five other countries or states the author makes recommendations for policy to manage this challenge facing contemporary society
